1. Democrats Abroad has a total of twenty-one (21) National Convention delegates, of whom eight (8) are sitting Democratic National Committee members (each with half (½) a vote), twelve (12) are at-large delegates, and one (1) is a pledged party leader and elected official (PLEO) delegate. Democrats Abroad also has at least one (1) alternate, and one (1) convention page. (*Call I & Appendix B.*) The Democrats Abroad National Convention delegation shall be composed of these twenty-one (21) delegates, all alternates, and the convention page.
 - a. If there is more than one presidential candidate with elected National Convention delegates then there may be an additional alternate for each presidential candidate having elected National Convention delegates.
 - b. If there are any distinguished party leader delegates, then the total number of National Convention delegates will be increased by the number of distinguished party leaders.
 2. The delegate selection process is governed by the *Charter and Bylaws of the Democratic Party of the United States*, the *Call for the 2020 Democratic National Convention* (“Call”), the *Delegate Selection Rules for the 2020 Democratic National Convention* (“Rules”), the *Regulations of the Rules and Bylaws Committee for the 2020 Democratic National Convention* (“Regs.”), the *Charter of Democrats Abroad*, and this Delegate Selection Plan. (*Call II.A*)
 3. Following the adoption of this Delegate Selection Plan by the Democratic Party Committee Abroad (“DPCA”), it shall be submitted for review and approval by the DNC Rules and Bylaws Committee (“RBC”). The International Chair of Democrats Abroad shall be empowered, after consultation with the DPCA International Executive Committee and the Affirmative Action Committee, to make any revisions to this document as required by the RBC to correct any omissions and/or deficiencies as found by the RBC to ensure its full compliance with Party Rules. Such corrections shall be made by the International Chair in consultation with the International Counsel of Democrats Abroad and the Plan resubmitted to the RBC

1 within thirty (30) days of receipt of notice of the RBC's findings. (*Reg. 2.5,*
2 *Reg. 2.6 & Reg. 2.7.*)

- 3
4 4. Once this Plan has been found in compliance by the RBC, any amendment to the
5 Plan by Democrats Abroad will be submitted to and approved by the RBC before
6 it becomes effective. (*Reg. 2.9.*)
7

8 **B. Description of the Delegate Selection Process**

9

- 10 1. Democrats Abroad will use a proportional-representation system based on the
11 results of a State-Party-run presidential preference vote, for apportioning dele-
12 gates to the 2020 Democratic National Convention. References in this Plan to
13 "Presidential Preference Vote," "Global Presidential Primary," "Global Primary,"
14 or simply "Primary" shall be a reference to the same process for apportioning
15 delegates.
16
17 2. The first determining step of Democrats Abroad's delegate selection process will
18 be a State-Party-run presidential preference vote involving voting in person, by
19 regular mail, by fax, or by email, which will occur during the period from March 3,
20 2020 to March 10, 2020.
21
22 3. Delegate seats shall be apportioned in a fashion that fairly reflects the expressed
23 presidential preference or uncommitted status of the Global Primary voters (*Rule*
24 *14.A*).
25
26 4. Delegate selection shall take place at regional conventions and the Global Con-
27 vention, all of which shall be held and concluded after the Global Primary but prior
28 to June 21, 2020. All meetings, regional conventions, and the Global Convention
29 held pursuant hereto shall be conducted using the latest edition of Robert's Rules
30 of Order.
31

32 **C. Voter Participation**

33

- 34 1. Participation in Democrats Abroad's delegate selection process is open to all
35 United States citizens residing outside the United States who will be eighteen
36 (18) years of age or older on November 3, 2020 and who wish to participate as
37 Democrats.
38
39 a. Each individual participating in the Global Primary must sign a Declaration to
40 the effect of the preceding sentence in the form of the Declaration set forth
41 as Attachment 10 hereto. A person who wishes to participate in the Global
42 Primary and is not a member of Democrats Abroad must first join Democrats
43 Abroad by completing a membership form prior to participating in the Global
44 Primary, which may be done on or before the dates of the Global Primary.
45 (*Rules 2.A. & 2.C. & Reg. 4.3.*)
46

- 1 b. At no stage of Democrats Abroad’s delegate selection process shall any per-
2 son be required, directly or indirectly, to pay a cost or fee to Democrats
3 Abroad as a condition for participating or voting. Voluntary contributions to
4 the party may be made, but under no circumstances shall a contribution be
5 mandatory. (*Rule 2.D & Reg. 4.4.*)
6
- 7 c. No person shall participate or vote in the nominating process for the Demo-
8 cratic presidential candidate who also participates in the nominating process
9 of any other delegation to the 2020 Democratic National Convention or of any
10 other political party for the corresponding presidential elections. (*Rule 2.E.*)
11
- 12 d. No person shall vote more than once in the State-Party-run Presidential Pref-
13 erence Vote process. (*Rule 3.E & Reg. 4.6.*)
14
- 15 2. Democrats Abroad supports and will continue to support the efforts of Democratic
16 State Parties and legislators to enhance voter and election security, particularly
17 but not exclusively in the delivery and processing of ballots cast from outside the
18 United States.
19
- 20 3. In accordance with the Democratic Party’s requirement to assess and improve
21 participation with respect to presidential preference and the delegate selection
22 process, Democrats Abroad has and will continue Voter Protection programs that
23 protect and expand the vote with educational, legislative, and litigation-based ef-
24 forts as appropriate. These programs include cooperation with other State Parties
25 and the DNC, as well as individual projects and global committees within Demo-
26 crats Abroad. (*Rule 2.I and 2.I.1*)
27
- 28 4. As part of encouraging voter participation in the delegate selection process, Dem-
29 ocrats Abroad uses same-day voter registration for the Democratic presidential
30 nominating process. (*Rule 2.I.2*)
31
- 32 5. Democrats Abroad uses its existing organization across the globe, and its country
33 committees, for communications with voters to ensure an open and inclusive del-
34 egate selection process and to resist attempts at voter suppression and disen-
35 franchisement. In addition, this Delegate Selection Plan meets the following re-
36 quirements: (*Rule 2.K*)
37
- 38 a. The ballot for voting by mail, fax, or email will incorporate features to safe-
39 guard against error and fraud; (*Rule 2.K.1*)
40
- 41 b. Democrats Abroad has the technical ability and financial resources to suc-
42 cessfully run a process not significantly different from previous plans. (*Rule*
43 *2.K.2*)
44
- 45 c. Same-day voter registration and party-affiliation changes are possible, noting
46 that Americans living abroad may also need to change party affiliation,

1 register to vote, or request an absentee ballot for other elections with their
2 voting state; (Rule 2.K.3)

- 3
- 4 d. Democrats Abroad will publicly report the total results for each candidate
5 based on the final global tally of votes cast in the Global Primary; (Rule 2.K.4)
- 6
- 7 e. The allocation of all National Convention delegates will be locked in at the
8 time of the final global count, subject to recount; (Rule 2.K.5)
- 9
- 10 f. Paper ballots and electronically delivered ballots will be securely preserved
11 to ensure the availability of an accurate recount if necessary; (Rule 2.K.6)
- 12
- 13 g. Using a form provided by the International Chair, filed according to the in-
14 cluded instructions and with costs paid in advance, a presidential candidate
15 may request a recount to be carried out in a timely manner; (Rule 2.K.7)
- 16
- 17 h. The mechanisms of this Delegate Selection Plan are designed expressly to
18 allow voters who are unable to be a part of the process in person to participate,
19 with features such as a week-long period for in-person voting, and early and
20 simultaneous voting by mail, fax, and email. (Rule 2.K.8)
- 21
- 22 i. Although the Americans with Disabilities Act and Sections 203 and 208 of the
23 Voting Rights Act do not apply to voters living abroad, Democrats Abroad will
24 engage in education and outreach to ensure accessibility, specifically includ-
25 ing people with disabilities and people with limited English proficiency. (Rule
26 2.K.9)

27

28 6. Scheduling of Delegate Selection Meetings

29

30 The dates, times, and places for all official Democrats Abroad meetings and
31 events related to Democrats Abroad's delegate selection process have been
32 scheduled to encourage the participation of all Democrats residing abroad. Dem-
33 ocrats Abroad will make every effort, to the extent reasonably possible in light of
34 local constraints in the host countries in which Democrats Abroad has country
35 committees, to ensure such meetings begin and end at reasonable hours.
36 *(Rule 3.A. & Reg. 4.)*

38

39

40 Section II

41 Presidential Candidates

42 **A. Ballot Access**

43

- 44 1. A presidential candidate gains access to Democrats Abroad's Global Primary by
45 filing a candidacy statement in the form of Attachment 18 to this Plan with the
46 International Chair no later than January 6, 2020.

- 1
2 2. As a condition precedent to ballot access for the Democrats Abroad Global Pres-
3 idential Primary, each presidential candidate must file a petition, in the form pre-
4 scribed by the International Chair, containing the valid signatures of 300 regis-
5 tered voters (*i.e.*, members of Democrats Abroad) with the International Chair no
6 later than January 6, 2020. Petitions may be signed electronically according to
7 rules adopted by the International Chair. The International Chair, upon request,
8 shall make all forms and rules governing the petition process available to presi-
9 dential campaigns on or before September 1, 2019. Members of Democrats
10 Abroad may sign petitions for more than one presidential candidate; provided,
11 however, that once a member has signed a petition and provided all required
12 information, that member has no right to rescind or otherwise remove the mem-
13 ber's signature from the petition.
14
- 15 3. As a condition precedent to ballot access for the Democrats Abroad Global Pres-
16 idential Primary, each presidential campaign must pay a ballot access fee in the
17 sum of \$2,500 to the Democratic Party Committee Abroad no later than January
18 6, 2020.
19
- 20 4. The ballot for the Democrats Abroad Global Primary will include a category for
21 "uncommitted." Write-in candidacies will not be permitted. (*Rules 11.B., 14.A.,*
22 *14.B., 14.D., 14.E., & 14.H.*)
23

24 **B. Other Requirements**

- 25
- 26 1. Certification of Authorized Representative. Each presidential candidate shall cer-
27 tify in writing to the International Chair the name(s) of the presidential candidate's
28 authorized representative(s) by January 6, 2020. (*Rule 13.D.1.*)
29
- 30 2. Best Efforts. Each presidential candidate (including uncommitted status) shall use
31 best efforts to ensure that the presidential candidate's respective delegation
32 within the Democrats Abroad delegation achieves the affirmative-action, outreach,
33 and inclusion goals established by and under this Plan, and that the delegation is
34 equally divided between men and women.
35
- 36 3. Statement of Full Participation. Each presidential candidate shall submit a state-
37 ment that specifies what steps the candidate is taking and will take to encourage
38 full participation in the delegate selection process, including, but not limited to, (i)
39 whether the presidential candidate's campaign may defray all or part of the ex-
40 penses of those delegates otherwise unable to participate in the National Con-
41 vention and (ii) procedures by which persons may file as candidates for delegate
42 or alternate. Each presidential candidate is required to present this information
43 no later than January 6, 2020 in the letter of candidacy referred to above. (Sec.
44 VII.F.2, *Rules 6.G., 6.H.1., and 6.I.*) Presidential candidates are also required to
45 submit such full participation statements to the DNC Rules and Bylaws Commit-
46 tee at the same time they are submitted to Democrats Abroad. (*Rule 6.H.1*)

- 1
2 4. Withdrawal of Candidacy. No presidential candidate who has filed a timely letter
3 of candidacy pursuant hereto shall be deemed to have withdrawn the candidate's
4 candidacy unless such candidate files a letter of withdrawal with the International
5 Chair. In this event, the International Chair shall so notify all country committees
6 as soon as practicable.
7
8

9
10 **Section III**
11 **Apportionment, Allocation, and Selection of Delegates**
12 **and Alternates**

13 **A. Apportionment of Delegates and Alternates**
14

- 15 1. Global Apportionment. Democrats Abroad shall select twelve (12) at-large dele-
16 gates (*Call, Art. 1.E*) and one (1) pledged party leader and elected official (PLEO)
17 delegate (*Rule 8.C., Call I.B., II., Appendix B & Reg. 4.31*) to the National Con-
18 vention. Further, Democrats Abroad shall select one (1) alternate per presidential
19 preference group receiving delegates (*Call, Art. 1.I*). Democrats Abroad has no
20 district-level delegates (*Call, Appendix B*).
21
22 a. Fair Reflection of Presidential Preference. Delegates shall be apportioned to
23 presidential preference groups in a fashion that fairly reflects the expressed
24 presidential preference or uncommitted status of the Democrats Abroad
25 Global Presidential Primary voters (*Rule 14.A*). Therefore, all at-large dele-
26 gates and the PLEO delegate shall be apportioned according to the percent-
27 age of each presidential preference (including uncommitted status) as deter-
28 mined by the Global Presidential Primary vote, except that a preference fall-
29 ing below a threshold of fifteen percent (15%) shall not be awarded any del-
30 egates or alternates.
31
32 b. Delegate Threshold. In all situations where no preference reaches the 15%
33 threshold, the threshold shall be half the percentage of the vote received in
34 the Global Presidential Primary by the front-runner.
35
36 c. Delegate Apportionment Formula. Democrats Abroad's twelve (12) at-large
37 delegates and one (1) PLEO delegate shall be apportioned according to the
38 following procedures:
39
40 Step 1: To three decimals, tabulate the percent-
41 age of the vote that each presidential pref-
42 erence (including uncommitted status) re-
43 ceives in the Global Presidential Primary.
44

1 Step 2: To three decimals, re-tabulate the per-
2 centage of the vote received by each
3 presidential preference excluding the
4 votes of presidential preference groups
5 with percentages in Step 1 that fall below
6 15%.

7
8 Step 3: Multiply the total number of at-large-dele-
9 gate and PLEO-delegate seats (13 in to-
10 tal) to be apportioned by the percentage
11 received by each presidential preference.
12

13 Step 4: Delegate seats shall be assigned to each
14 presidential preference based on the
15 whole numbers which result from the mul-
16 tiplication in Step 3.
17

18 Step 5: Remaining delegate seats, if any, shall be
19 assigned in order of the highest fractional
20 remainders in Step 3.
21

22 2. Regional Selection. Nine (9) of the at-large delegates to the National Convention
23 will be selected at regional conventions organized at the level of each recognized
24 region of Democrats Abroad. The recognized regions of Democrats Abroad are:
25 (a) the Americas; (b) Asia-Pacific (AP); and (c) Europe, Middle East & Africa
26 (EMEA). A list of the DPCA-admitted Country Committees in each region as of
27 the date of approval of this Plan is attached hereto as Attachment 1.
28

29 a. To receive and cast votes in a regional convention, a Country Committee
30 must be in good standing with the Democratic Party Committee Abroad as of
31 December 31, 2019.
32

33 b. The nine (9) at-large delegate seats to be selected by the regional conven-
34 tions will be re-apportioned among the regions from the global pool of appor-
35 tioned delegate seats. Re-apportionment shall be based on a formula taking
36 into account the Democratic strength of the regions in the Global Primary.
37 Following the Global Primary, the International Chair shall determine the
38 Democratic strength of each region based on the number of Democrats who
39 participated in the Global Primary.
40

41 c. Each Country Committee shall be allotted, *pro rata*, regional delegate votes
42 based on such Country Committee's Democratic strength in the Global Pri-
43 mary, as certified in accordance with Section III.A.3, below.
44

45 3. Regional Re-apportionment Based on Democratic Participation. The number of
46 at-large delegates to be selected by each region shall reflect the percentage of

1 Democratic participation within the region voting in the Global Primary, as certi-
2 fied by the International Chair; provided, however, that each regional convention
3 shall be entitled to elect at least one National Convention delegate. In determin-
4 ing the Democratic participation of each region, the International Chair shall take
5 into account the total number of votes from DPCA-admitted Country Committees
6 in good standing, as well as from members of Democrats Abroad within each
7 region who are not members of such Country Committees. The number of dele-
8 gate seats apportioned to each presidential candidate is fixed by the global ap-
9 portionment formula of Section III.A.1.c, above; it is impossible for preference
10 groups to gain or lose delegates in the process of regional re-apportionment.

11
12 a. Regional Re-apportionment Formula:

13
14 Step 1: To three decimals, tabulate the Demo-
15 cratic participation in the Global Primary
16 in each region by dividing the number of
17 Primary votes cast within the region by the
18 total number of Primary votes cast glob-
19 ally.

20
21 Step 2: Multiply the total number of delegates to
22 be selected by the regions (9 at-large del-
23 egates) by the Democratic participation in
24 each region.

25
26 Step 3: Delegate seats shall be assigned to each
27 region based on the whole numbers
28 which result from the multiplication in Step
29 2.

30
31 Step 4: Remaining delegate seats, if any, shall be
32 assigned in order of the highest fractional
33 remainders in Step 3.

34
35 b. Allocation of delegate seats to preference groups within a region. The pro-
36 cess of allocating delegate seats within regions shall begin with the region
37 with the lowest Democratic participation. All delegate seats re-apportioned to
38 a region shall be assigned to preference groups within that region in accord-
39 ance with the allocation process below, before beginning the process of allo-
40 cating delegates to the next region. Regional allocation shall be conducted in
41 ascending order based on regional Democratic participation.

42
43 (i) Allocation Process. If a regional convention is to select only one (1) Na-
44 tional Convention delegate, it shall select such delegate from among the
45 delegate-candidates having been approved by the preference group (e.g.,
46 the presidential candidate) receiving the most votes worldwide in the

1 Presidential Preference Vote; if it is to select two (2) delegates or more,
2 then it shall select one delegate from among the delegate-candidates
3 having been approved by the preference group receiving the most votes
4 worldwide in the Global Primary and one from among the delegate-can-
5 didates having been approved by the preference group receiving the sec-
6 ond most votes worldwide, and so forth until one delegate is assigned to
7 each preference group eligible to receive votes.

8
9 (ii) If, after allocating delegate seats in accordance with the preceding para-
10 graph, the region remains entitled to select more delegates, the allocation
11 process shall repeat until all delegate seats re-apportioned to the region
12 have been allocated to preference groups; provided, however, that at no
13 time during the regional allocation process may a delegate be allocated
14 to any preference group if doing so would exceed the preference group's
15 total number of globally apportioned delegates.

16
17 4. Global Balancing. The remaining three (3) at-large delegates and the one (1)
18 pledged PLEO delegate will be selected at the Global Convention. The number
19 of delegates to be elected for each preference group shall be determined by sub-
20 tracting each preference group's total number of delegates selected at the re-
21 gional levels from the total number of delegates apportioned to each preference
22 group according to the delegate apportionment formula in Section III.A.1.c. The
23 first delegate allocated to, and selected by, the preference group receiving the
24 highest number of votes in the Global Primary shall be the pledged PLEO dele-
25 gate.

26
27 5. All members of the Democrats Abroad delegation to the National Convention,
28 including at-large delegates, the pledged PLEO delegate, alternates and conven-
29 tion pages, at the time of their selection as well as at the time of the National
30 Convention, shall be members of Democrats Abroad, reside outside the United
31 States, have the interest, welfare, and success of the Democratic Party of the
32 United States and of Democrats Abroad at heart, and subscribe to the substance,
33 intent, and principles of the Charter and Bylaws of the Democratic Party of the
34 United States and the Charter of Democrats Abroad.

35
36 6. Equal Division of At-Large Delegates and Alternates

37
38 a. Democrats Abroad's total number of at-large delegates will be equally divided
39 between men and women. The male and female membership of the standing
40 committees shall be as equally divided among the men and women as pos-
41 sible; the variance between men and women in any standing committee or
42 among the three committees in aggregate shall not exceed one. (Call VII.E.2)

43
44 b. In the case of gender non-binary delegates or alternates, they shall not be
45 counted as either male or female for the purposes of equal division, and the
46 remainder of the delegation shall be equally divided by gender. (*Rule 6.C*).

1 7. At-Large Delegate and Alternate Filing Requirements

- 2
- 3 a. All candidates for the positions of at-large delegate or alternate to the Na-
- 4 tional Convention must be identified as to presidential preference, uncommi-
- 5 ted, or automatic status, at all levels that determine presidential preference.
- 6
- 7 b. To become a candidate for at-large delegate to be elected at a regional con-
- 8 vention, an individual may submit a written application to the International
- 9 Chair beginning on March 24, 2020; all applications must be received on or
- 10 before April 17, 2020 (Pacific Daylight Time) or 14 days before the appropri-
- 11 ate regional convention, whichever is earlier. An individual may apply as a
- 12 candidate for at-large delegate to be selected at the Global Convention,
- 13 pledged PLEO delegate, or alternate by informing the International Chair of
- 14 the individual's candidacy in writing beginning on March 24, 2020; all appli-
- 15 cations must be received on or before April 17, 2020 (Pacific Daylight Time).
- 16 All notices of candidacy for the positions of delegate or alternate to the Na-
- 17 tional Convention shall be made using the form attached hereto as Attach-
- 18 ment 13, or such other written form as the International Chair may reasonably
- 19 require.
- 20
- 21 c. An individual may be a candidate for at-large delegate, alternate, and pledged
- 22 PLEO delegate at the same time, and may inform the International Chair of
- 23 the individual's candidacy for all such positions by the same notice. Candi-
- 24 dates for at-large delegate, pledged PLEO delegate, or alternate who timely
- 25 file notice of their candidacy for one or more such positions with the Interna-
- 26 tional Chair and who are not chosen for a particular position may be consid-
- 27 ered as a candidate for all other positions without having to file notice of their
- 28 candidacy for such other positions, provided the candidate has been ap-
- 29 proved by the presidential candidate they have pledged to support.
- 30
- 31 d. Candidates for at-large delegate, alternate, and pledged PLEO delegate must
- 32 file in all instances a signed pledge of support for a presidential candidate
- 33 (including uncommitted status).

24 31, 2019. The date, time, and place of the regional conventions shall be publicly
25 announced as part of the affirmative action plan.
26

- 27 a. The Permanent Regional Convention Chair for each regional convention will
28 be the DPCA Regional Vice Chair for the corresponding region. If the DPCA
29 Regional Vice Chair is unable to perform this role, the DPCA Regional Vice
30 Chair may ask the International Chair to name a substitute.
31 b. The Permanent Regional Convention Chair will name a Credentials and
32 Rules Committee no fewer than ten (10) day prior to the opening of the re-
33 gional convention. Members of the Credentials and Rules Committee for the
34 Global Convention may serve on the Credentials and Rules Committees for
35 regional conventions.
36

37 2. Regional Convention Electors
38

39 Each Country Committee in good standing shall send a delegation to the regional
40 convention for the region in which it is located. The electors of the regional con-
41 vention shall be comprised only of the following electors, as confirmed and certi-
42 fied in paragraph 3, below:
43

- 44 a. All elected national officers and DPCA Voting Representatives of each
45 DPCA-admitted Country Committee in good standing within the region; and
46

- b. Elected Chapter Chairs (provided that, if a Country Committee does not elect Chapter Chairs, then the recognized Chapter Chairs) of each Country Committee in good standing within the region; and
- c. Elected members of the body charged under the bylaws of the Country Committee with the day-to-day work of the Country Committee (e.g. members-at-large) of each Country Committee in good standing within the region; and
- d. the Regional Vice Chair for the region.

3. Certification of Regional Convention Electors

Each Country Committee Chair shall certify to the International Chair, who, after verification, shall certify to the Regional Vice Chair, the names of those regional convention electors as defined above for each Country Committee in the region by April 13, 2020, or 30 days before the regional convention, whichever is earlier. Those not certified by the deadline as confirmed participants in the regional convention shall not be considered electors for the regional convention.

4. Participation in Regional Conventions

- a. Regional convention electors shall be the only persons eligible to vote in the regional conventions.
- b. Participation by video, audio, or web conference tools, such as WebEx, will be provided for.

The rules for each regional convention shall provide at a minimum that:

- b. No proxies may be used.
- c. The unit rule, or any rules or practice whereby all members of a party unit, delegation, or caucus may be required to cast their votes in accordance with the will of a majority of the body, shall not be permitted.

- 1 d. Any individual or group of Democrats may sponsor or endorse a slate of can-

3 of such endorsement receive preferential treatment or a preferential place on

5 all slates must meet identical qualifying requirements for appearing on the
6 ballot.
7
- 8 e. All votes for National Convention at-large delegates shall be by written signed
9 ballot. Representatives of the presidential candidate for which a Presidential

11 candidates for National Convention delegate who are unacceptable to the
12 presidential candidate. The PPG Chair shall make this known to the PPG.
13 However, if such unacceptability has not been timely made known to the In-
14 ternational Chair, such unacceptability shall not be a bar to such candidate's
15 running for the position of National Convention delegate.
16
- 17 f. Each election will select a single delegate. As a process that promotes gender,
18 racial, or ethnic-minority representation, with consideration for historically un-
19 der-represented groups, a candidate who has been eliminated may be recon-
20 sidered and stand again in a subsequent election.
21
- 22 g. The delegates elected by each PPG shall be as equally divided among the
23 men and women as possible; the variance between men and women in the
24 total delegation elected by a PPG shall not exceed one. The PPG chairs may

4 (iv) Report of the Regional Convention Credentials and Rules Committee
5

6 The Credentials and Rules Committee shall report the number of regis-
7 tered regional convention electors expressing each presidential prefer-
8 ence (including uncommitted) both in aggregate numbers and per Coun-
9 try Committee. Once the Credentials and Rules Committee has reported
10 and a quorum has been established, the regional convention may pro-
11 ceed to conduct its business. The Permanent Chair shall then read the
12 following statement:
13

14 "All caucuses, committees, and officials of Democrats Abroad
15 shall take such practical steps as may be within their legitimate
16 power to assure that all regional conventions and the Global
17 Convention, and all committees include: men and women, var-
18 ious age groups, racial-minority groups, economic groups, tra-
19 ditionally under-represented groups, and representatives of
20 identifiable geographically-defined populations—all in reasona-
21 ble relationship to the proportions in which these groups are
22 found in the population of the respective constituencies and
23 without discrimination based on creed or religious preference,
24 sexual orientation, or disability."
25

26 Based on the certification by the International Chair of the Democratic
27 strength in the region and the number of National Convention delegates
28 to be elected by the region, as well as the percentage of votes obtained
29 by each presidential candidate (including uncommitted) worldwide in the
30 Global Primary, the Credentials and Rules Committee report shall contain
31 the allocation of National Convention delegates to be elected by the re-
32 gional convention among the presidential candidates.
33

34 The Credentials and Rules Committee shall report to the Permanent Re-
35 gional Convention Chair the value of the vote to be cast by each regional
36 convention elector attending the regional convention. The value of the
37 vote shall be calculated according to the following formula:
38

39 A = Number of electors from a Country Committee in attendance
40

41 B = Democratic strength as a percentage: the participation from the
42 Country Committee in the Global Primary divided by the total partici-
43 pation from all Country Committees in attendance at the regional con-
44 vention
45

46 Regional Convention Elector Vote Value = $(1/A) \times B \times 100$

1
2 In the voting in each PPG, each Country Committee shall cast its full al-
3 located number of votes according to the report of the Credentials and
4 Rules Committee by the vote of the delegates from that Country Commit-
5 tee only. No Country Committee shall be deprived of its total vote unless
6 there are no electors present from that Country Committee in that PPG,
7 except that a partial loss of votes may occur due to the temporary ab-
8 sence of electors counted "in attendance" by the report of the Credentials
9 and Rules Committee.

10
11 The report of the regional convention's Credentials and Rules Committee
12 will prescribe the method of electing members of the Platform Committee
13 in accordance with Section (xi) below.

14
15 The report of the regional convention's Credentials and Rules Committee
16 will include a summary of any decisions referred to the committee by the
17 Permanent Regional Convention Chair. These decisions are subject to
18 challenge under Section VIII below.

19
20 (v) Election of DNC Member

21
22 After the Credentials and Rules Committee report, the regional conven-
23 tion shall elect one (1) member of the Democratic National Committee,
24 whose term will begin with the closing of the 2020 Democratic National
25 Convention. Such election shall be by absolute majority of all regional
26 convention Electors in attendance and with vote values as calculated
27 above.

28
29 (vi) Recess into Presidential Preference Groups

30
31 Following the election of the DNC member, the regional convention shall
32 then recess into separate PPGs for each presidential candidate pursuant
33 to their signed statement of support (including uncommitted) for the pur-
34 poses of electing the number of at-large delegates allocated to it as per
35 the results of the Presidential Preference Vote.

36
37 (vii) Election of Permanent PPG Chair

38
39 Each presidential candidate (or designee) shall appoint a Temporary
40 Chair of the PPG for the purpose of calling the PPG to order and presiding
41 during the election of a Permanent PPG Chair.

42
43 (viii) Election of Delegates and Alternate

44
45 (1) The Permanent Regional Convention Chair shall provide each PPG
46 with a list of those individuals approved by its presidential candidate

1 for nomination as National Convention delegates (or, in the case of
2 uncommitted, those who have submitted their candidacy). All such
3 individuals' names shall be read to the PPG by the duly elected PPG
4 Chair and shall be considered nominated when their names are read.
5 No names other than those that have been previously approved by
6 the presidential candidate or the presidential candidate's representa-
7 tive (or, in the case of uncommitted, those who have submitted their
8 candidacy) shall be accepted.
9

10 (2) The PPG shall then proceed with the selection of the National Con-
11 vention delegates allocated to it from among the previously approved
12 list of candidates.
13

14 (3) To promote balance as to gender, racial, or ethnic minority represen-
15 tation, and in consideration for historically under-represented groups,
16 the election of each National Convention delegate shall consist of
17 two rounds of Ranked Choice Voting. Prior to each round, the chair
18 of the PPG shall report the comparison of the representative goals
19 to the demographic composition of the already-elected National Con-
20 vention delegates (including automatic delegates), in accordance
21 with Section VII.E.3.
22

23 For the first round, electors will be provided a ballot which allows
24 them to rank either five or one-quarter of the total number of candi-
25 dates eligible for that election (subject to equal division require-
26 ments), whichever is larger. Votes shall be transferred according to
27 rules following ranked-choice voting principles until all remaining
28 candidates (i.e., those who have not been eliminated) have met or
29 exceeded the 10 percent threshold. Candidates will be eliminated if
30 they cannot meet the 10 percent threshold of first-place votes, and
31 then, as necessary, by a random tie-breaker that does not privilege
32 any particular candidate in advance.
33

34 The second round shall select a single National Convention delegate
35 from among the remaining candidates using Ranked Choice Voting.
36 Each elector will be provided a ballot that requires the ranking of the
37 remaining candidates for delegate so as to obtain a majority vote for
38 the winner of the election, tabulated according to Ranked Choice
39 Voting.
40

41 The rules and procedures for casting ballots, meeting the threshold
42 for first rounds, tabulating results, and determining the candidate se-
43 lected in each election shall be distributed with the information on
44 becoming a delegate required in Section VII.C.4 by October 1, 2019.
45
46

1
2 (ix) Reconvening of the Regional Convention
3

4 (1) At the conclusion of each of the PPG caucuses, each PPG Chair shall
5 report the results to the Permanent Regional Convention Chair.
6

7 (2) Any member of a PPG who wishes to challenge the tabulation of the
8 PPG should make the challenge known by informing the Permanent
9 Convention Chair prior to the announcing of the results, if possible. If
10 no correction is made with respect to the error or event in question,
11 a formal challenge may be made immediately upon the announce-
12 ment of the results.
13

14 (3) The results shall be read to the regional convention as a whole and
15 any challenge to those results shall be announced at the same time
16 either by the Permanent Regional Convention Chair or by a member
17 of the PPG whose results are being challenged.
18

19 (x) Other elections to be conducted and actions to be taken by the regional
20 conventions
21

22 (1) After at-large National Convention delegates have been elected, the
23 regional convention shall proceed with the election of two (2) mem-
24 bers of the Platform Committee of the Global Convention.
25

26 (2) Elections of Platform Committee members shall be held according to
27 the report of the Credentials and Rules Committee and shall respect
28 equal division by gender.
29

30 (4) The regional convention shall then discuss and adopt such resolu-
31 tions for submission to the Platform Committee of the Democrats
32 Abroad Global Convention. Resolutions adopted by the regional con-
33 vention shall be communicated to the Platform Committee of the
34 Global Convention by the members of the Platform Committee
35 elected by the regional convention.
36

37 (5) The regional convention shall then conduct such other business as
38 may be deemed important by the Permanent Regional Convention
39 Chair.
40

41 (xii) Adjournment
42

43 Immediately upon adjournment of each regional convention, the Perma-
44 nent Regional Convention Chair and Secretary shall certify to the Inter-
45 national Chair of Democrats Abroad the results of the selection of Na-
46 tional Convention delegates, noting any challenges. No later than

1 May 26, 2020, the International Chair shall certify in writing to the Secre-
2 tary of the DNC the selection of the National Convention delegates and
3 alternate.
4

15 delegates elected at the regional conventions, automatic delegates (*i.e.*, all

28 members and the at-large National Convention delegates elected by the
29 Global Convention shall be chosen, if necessary, to achieve the equal divi-
30 sion of positions between men and women and the representation goals es-
31 tablished in the Democrats Abroad affirmative action plan. The Global Con-
32 vention shall also elect one (1) alternate to the National Convention for each
33 of the PPGs.
34

35 2. Appointments and Agenda

- 36
37 a. The International Chair will name a global Credentials and Rules Committee
38 no fewer than ten (10) days prior to the opening of the first regional conven-
39 tion.
40
41 b. The International Chair may refer questions regarding the conduct of the
42 Global Convention to the committee prior to the opening of the Global Con-
43 vention. These decisions are subject to challenge under Section VIII below.
44
45 c. The International Chair will name at least six (6) members of the Platform
46 Committee of the Global Convention prior to the opening of the first regional

1 convention. The International Chair will announce the procedures and rules
2 of the Platform Committee no less than two (2) days before the opening of
3 the Global Convention, including the role of the six (6) members of the com-
4 mittee elected during the regional conventions.

- 5
6 d. The agenda of the Global Convention shall be announced by the International
7 Chair no less than two (2) days before the opening of the Global Convention.
8 The agenda will include a report of the Credentials and Rules Committee on
9 the participants in the Global Convention and the allocation of votes to those
10 participants, and a summary of any decisions made by the Credentials and
11 Rules Committee as referred under paragraph (a) above.

12
13 3. Procedure for the Election of National Convention Delegates by the Global
14 Convention

- 15
16 a. The Global Convention shall be chaired by the International Chair or the
17 International Chair's designee.
18
19 b. Participation by video, audio, or web conference tools, such as WebEx, will
20 be provided for.
21
22 c. A quorum shall be 40% of certified delegates eligible to vote present in per-
23 son or participating by video, audio, or web conference.
24
25 d. There shall be no voting by proxy.
26
27 e. Participants in the Global Convention who are DPCA members, if repre-
28 senting a Country Committee in such capacity, shall have voting rights
29 within the Global Convention in proportion to their Country Committee's
30 turnout in the Global Primary, relative to the total number of participants in
31 the Global Primary of all Country Committees participating in the Global
32 Convention. Other participants in the Global Convention shall have votes
33 equivalent to the votes allocated to the Country Committee participating in
34 the Global Convention with the lowest Global Primary turnout.
35
36 f. The Chair will inform the Global Convention of the gender balance of the
37 delegation to the National Convention and the gender balance of the at-
38 large delegates to be elected, as well as the breakdown of the delegation
39 for the purposes of attaining the representation goals established in the af-
40 firmative action plan. For the purposes of the selection of the pledged PLEO
41 and at-large delegates and alternate to the National Convention, the Global
42 Convention will then divide into PPGs, following the rules and procedures
43 used at the regional conventions.
44
45 g. The PPGs shall proceed to elect, in the following order and as allocated: (1)
46 the pledged PLEO delegate; (2) the at-large delegates; and (3) the alternate.

1 Before each election, the Chair will inform the Global Convention of the gen-
2 der balance of the delegation to the National Convention and the gender
3 balance of those to be elected, as well as the breakdown of the delegation
4 for the purpose of attaining the representation goals established in the af-
5 firmative action plan. If necessary, the Chair may require a PPG to refrain
6 from electing one or more of its at-large delegates until the permissible gen-
7 der of such is determined based on the elections by the other PPGs. All
8 elections shall be conducted in two rounds, following the rules and proce-
9 dures used at the regional conventions. After each election, the PPGs must
10 report the results of that election to the Chair. A candidate who has been
11 eliminated may be reconsidered and stand again in a subsequent election,
12 insofar as compatible with equal division.

13
14 h. The delegates to the Global Convention shall then reconvene, and the Chair
15 shall inform them as to the gender balance of the delegation to the National
16 Convention as well as the breakdown of the delegation for the purpose of
17 attaining the representation goals established in the affirmative action plan.
18 Only then will the Global Convention proceed with the election of the three
19 (3) remaining DNC members up for election in accordance with the Charter
20 of Democrats Abroad.

21
22 i. The names, full contact information, and presidential preferences of Na-
23 tional Convention delegates and alternate elected at the Global Convention,
24 as well as the names and full contact information of the Democratic National
25 Committee members elected by the regional conventions and Global Con-
26 vention, shall be certified by the International Chair to the Secretary to the
27 Democratic National Committee no later than May 26, 2020.

45 mittee. (*Rule 9.A.5, Call I.G. & Reg. 4.14.*)

- 1 2. An automatic delegate may run and be elected as a pledged delegate. If an au-
2 tomatic delegate is elected and certified as a pledged delegate, that individual
3 shall not serve as an automatic delegate at the 2020 National Convention. (Call
4 I.J)
- 5
6 3. The certification process for the automatic delegates is as follows:

14 shall constitute verification of the automatic delegates from the categories
15 indicated above. (*Call IV.B.1.*)
16
17 c. The International Chair of Democrats Abroad shall certify in writing to the
18 Secretary of the DNC the presidential preferences of Democrats Abroad's

20 legate selection process. (*Call IV.C.*)
21
- 22 4. For purposes of achieving equal division between delegate men and delegate
23 women within Democrats Abroad's entire Convention delegation (determined by

26 *Reg. 4.9*)
27

28 **F. Pledged Party Leader and Elected Official (PLEO) Delegates**

- 29
30 1. Democrats Abroad is allotted one (1) pledged PLEO delegate. The pledged
31 PLEO delegate shall be selected by the Global Convention prior to the selection
32 of at-large delegates and alternate. (*Call I.D., E. & Appendix B.*)
33
- 34 2. The pledged PLEO slot shall be allocated among presidential preferences on the
35 same basis as the at-large delegates. (*Rule 9.B.2, Rule 10.C, Rule 13.E & Rule*
36 *F.*)
37
- 38 3. Pledged PLEO Delegate Filing Requirements

- 1
2 b. An individual can qualify as a candidate for a position as a pledged PLEO
3 delegate by completing and filing the form included herein as Attachment 13,
4 by April 17, 2020. (*Rule 9.B.3, Rule 14.G, Reg. 4.16 & Reg. 4.21.*)
5
6 c. Alternates are not selected at the pledged party leader and elected official
7 level. These alternates are combined with the at-large alternates and se-

15 not later than April 17, 2020 for the pledged PLEO delegate to be elected at
16 the Global Convention, pledged to that presidential candidate. (*Rule 9.B.3 &*
17 *Rule 12.D.*)
18
19 b. Each presidential candidate, or that candidate's authorized representative(s),
20 must then file with the International Chair of Democrats Abroad by April 24,
21 2020, a list of all such candidates that the presidential candidate has ap-
22 proved for the pledged PLEO delegate, provided that, at a minimum, two (2)
23 names remain for the PLEO delegate position to which the presidential can-
24 didate is entitled. For the sake of equal division, the total set of names ap-
25 proved must include at least two (2) candidates who are not men (determined
26 by gender self-identification) and at least two (2) candidates who are not
27 women (determined by gender self-identification) as the total number of po-
28 sitions. These conditions may not be used to reject or limit the number of non-
29 binary gender candidates. (*Rule 12.E.2 & Reg. 4.24.*)
30
31 c. Failure to respond will be deemed approval of all delegate candidates sub-
32 mitted to the presidential candidate unless the presidential candidate, or the
33 authorized representative(s), signifies otherwise in writing to the International
34 Chair of Democrats Abroad not later than as above specified.
35
36 d. The International Chair of Democrats Abroad shall certify in writing to the Co-

3

4 **G. Replacement of Delegates and Alternates** 5

6 1. A pledged delegate or alternate may be replaced according to the following guide-
7 lines:
8

9 a. Permanent Replacement of a Delegate: (*Rule 18.D.3.*)
10

11 (i) A permanent replacement occurs when a delegate resigns or dies prior
12 to or during the National Convention and the alternate replaces the dele-
13 gate for the remainder of the National Convention.
14

15 (ii) Any alternate permanently replacing a delegate shall be of the same
16 presidential preference (including uncommitted status) and gender of the
17 delegate the alternate replaces, and to the extent possible shall be from
18 the same political subdivision within Democrats Abroad as the delegate.
19

20 (1) In the case where the presidential candidate has only one (1) alter-
21 nate, that alternate shall become the certified delegate.
22

23 (2) If a presidential candidate has only one (1) alternate, and that alter-
24 nate permanently replaces a delegate of a different gender, thereby
25 causing the delegation to no longer be equally divided, the delegation
26 shall not be considered in violation of Rule 6.C. In such a case, not-
27 withstanding Rule 18.D.2, Democrats Abroad shall, at the time of a
28 subsequent permanent replacement, replace a delegate with a per-
29 son of a different gender, in order to return the delegation to equal
30 division of men and women. (*Reg. 4.33.*)
31

32 (iii) If a delegate or alternate candidate who has been elected but not certified
33 to the DNC Secretary resigns, dies, or is no longer eligible to serve, that
34 individual shall be replaced, after consultation with Democrats Abroad,
35 by the authorized representative of the presidential candidate to whom
36 the individual was pledged. (*Rule 18.D.2.*)
37

38 b. Temporary Replacement of a Delegate: (*Rule 18.D.3.*)
39

40 (i) A temporary replacement occurs when a delegate is to be absent for a
41 limited period of time during the Convention and an alternate temporarily
42 acts in the delegate's place.
43

44 (ii) Any alternate who temporarily replaces a delegate must be of the same
45 presidential preference (including uncommitted status) as the delegate
46 being replaced, and to the extent possible shall be of the same gender

1 and from the same political subdivision within Democrats Abroad as the
2 delegate.

3
4 c. The following system will be used to select temporary and permanent re-
5 placements of delegates: (*Rule 18.D.1.*)

6
7 (i) In the case of a temporary replacement of a delegate, the delegate may
8 choose the alternate. If the delegate does not designate an alternate to
9 replace the delegate temporarily, the delegation may designate the alter-
10 nate by simple majority vote of all those present at the meeting of the
11 delegation at which such designation is to be made.

12
13 (ii) In the case of a permanent replacement, the delegation shall designate
14 the alternate to replace the delegate by simple majority vote of all those
15 present at the meeting of the delegation at which such designation is to
16 be made.

17
18 d. Certification of Replacements

19
20 (i) Any alternate who permanently replaces a delegate shall be certified in
21 writing to the Secretary of the DNC by the delegation Chair.
22 (*Rule 18.D.3.*)

23
24 (ii) Permanent replacement of a delegate (as specified above) by an alter-
25 nate and replacement of a vacant alternate position shall be certified in
26 writing by the delegation Chair to the Secretary of the Democratic Na-
27 tional Committee within 72 hours after the replacement is selected. (*Call*
28 *IV.D.1.*)

29
30 (iii) Certification of permanent replacements will be accepted by the Secretary
31 up to 72 hours before the first official session of the Convention is sched-
32 uled to convene. (*Call IV.D.1 & Reg. 4.32.*)

33
34 (iv) In the case where a pledged delegate is permanently replaced after 72
35 hours before the time the first session is scheduled to convene or, in the
36 case where a pledged delegate is not on the floor of the Convention Hall
37 at the time a roll call vote is taken, an alternate may be designated (as
38 specified above) to cast the delegate's vote. In such case, the delegation
39 Chair shall indicate the name of the alternate casting the respective del-
40 egate's vote on the delegation tally sheet. (*Call VIII.F.3.d, Call VIII.F.3.b*
41 *& Reg. 5.6.*)

42
43 e. A vacant alternate position shall be filled by the delegation. The replacement
44 shall be of the same presidential preference (or uncommitted status), of the
45 same gender, and (to the extent possible) from the same political subdivision
46 as the alternate being replaced. (*Rule 18.E.*)

(*Rule 18.E & Reg. 4.33.*)
 - a. In the case of the death of such a delegate;
 - b. In the case where Democrats Abroad's DNC membership changes following
the DNC Secretary's official confirmation, but prior to the commencement of
the 2020 Democratic National Convention, acknowledgment by the Secretary
of the new DNC member certification shall constitute verification of the corre-

Section IV Convention Standing Committee Members

A. Introduction

1. Democrats Abroad has been allocated one (1) member on each of the three (3)
standing committees for the 2020 Democratic National Convention (Credentials,
Platform, and Rules), for a total of three (3) members. (*Call VII.A. & Appendix
D.*)
2. All standing committee members representing Democrats Abroad, at the time of
their selection as and throughout their terms, shall be members of Democrats
Abroad, reside outside the United States, have the interest, welfare, and success
of the Democratic Party of the United States and of Democrats Abroad at heart,
and subscribe to the substance, intent, and principles of the Charter and Bylaws
of the Democratic Party of the United States and the Charter of Democrats
Abroad.
3. Members of the Convention standing committees need not be delegates or an
alternate to the 2020 Democratic National Convention. (*Call VII.A.3.*)
4. These members will be selected in accordance with the procedures indicated be-
low. (*Rule 1.G.*)

1 **B. Temporary Standing Committee Members**
2

- 3 1. Prior to the selection of permanent standing committee members, the Executive
4 Committee of the DPCA may select temporary members of the standing commit-
5 tees, who shall serve until permanent members of the standing committees are
6 selected pursuant to subsection C below.
7
- 8 2. Members selected as temporary standing committee members serve only in the
9 event that a standing committee is called to meet prior to completion of Demo-
10 crats Abroad's delegate selection process. Temporary members selected after
11 the occurrence of the Global Presidential Primary shall reflect the presidential
12 preferences so established. No temporary members of a standing committee may
13 continue to serve on the respective standing committee once permanent mem-
14 bers have been selected unless such temporary member has been elected as
15 the permanent member. (*Call VII.G.3.*)
16

17 **C. Standing Committee Members**
18

19 1. Selection Meeting
20

- 21 a. The members of the standing committees shall be elected by a quorum of the
22 Democrats Abroad's National Convention delegates, at a meeting within 14
23 days of the final selection of all National Convention delegates, which meet-
24 ing will be presided by the International Chair. (*Call VII.B.1.*)
25
- 26 b. All members of the delegation shall receive adequate notice of the time, date,
27 and place of the meeting to select the standing committee members. (*Call*
28 *VII.B.1.*)
29
- 30 c. Participation in the meeting of Democrats Abroad's National Convention del-
31 egation may be by telephone, video-conference, Internet, or other similar
32 means permitting all participants to hear and speak to the other participants.
33

34 2. Allocation of Members
35

- 36 a. The members of the standing committees allocated to Democrats Abroad
37 shall proportionately represent the presidential preference of all candidates
38 (including uncommitted status) as determined by the Global Presidential Pri-
39 mary. However, no members of standing committees shall be allocated to
40 candidates who fail to receive at least fifteen percent (15%) of the Presidential
41 Preference Vote. (*Call VII.C.1 & Rule 14.E.*)
42
- 43 b. The presidential preference of each candidate receiving the applicable per-
44 centage or more within the delegation shall be multiplied by the total number
45 of standing committee positions allocated to Democrats Abroad. If the result
46 of such multiplication does not equal 0.455 or above, the presidential

1 preference in question is not entitled to representation on the standing com-
2 mittee. If the result of such multiplication is 0.455 but less than 1.455, the
3 presidential preference is entitled to one (1) position. Those preferences se-
4 curing more than 1.455 but less than 2.455 are entitled to two (2) positions,
5 etc. (*Call VII.C.2.*)
6

- 7 c. Where the application of this formula results in the total allocation exceeding
8 the total number of committee positions, the presidential candidate whose
9 original figure of representation is farthest from its eventual rounded-off total
10 shall be denied that one (1) additional position. Where the application of this
11 formula results in the total allocation falling short of the total number of com-
12 mittee positions, the presidential candidate whose original figure of represen-
13 tation is closest to the next rounding level shall be allotted an additional Com-
14 mittee position. (*Call VII.C.3.*)
15
- 16 d. Standing committee positions allocated to a presidential candidate shall be
17 proportionately allocated, to the extent practicable, to each of the three (3)
18 standing committees. When such allocation results in an unequal distribu-
19 tion of standing committee positions by candidate preference, a drawing
20 shall be conducted to distribute the additional positions. (*Call VII.C.4.*)
21

22 3. Presidential Candidate Right of Review

23

- 24 a. Each presidential candidate, or that candidate's authorized representative(s),
25 shall be given adequate notice of the date, time, and location of the meeting
26 of the Democrats Abroad delegation authorized to elect standing committee
27 members. (*Call VII.D.1.*)
28
- 29 b. Each presidential candidate, or that candidate's authorized representative(s),
30 must submit to the International Chair of Democrats Abroad, by April 24, 2020,
31 a minimum of one (1) name for each slot awarded to that candidate for mem-
32 bers of each committee. The delegation shall select the standing committee
33 members from among names submitted by the presidential candidates (in-
34 cluding uncommitted status). Presidential candidates shall not be required to
35 submit the name of more than one (1) person for each seat awarded to such
36 candidate for members of standing committees. (*Call VII.D.2.*)
37

38 4. Selection Procedure to Achieve Equal Division

39

- 40 a. Presidential candidates (including uncommitted status) shall use their best
41 efforts to ensure that their respective delegation of standing committee mem-
42 bers shall achieve Democrats Abroad's affirmative action, outreach and in-
43 clusion goals and that their respective male and female members are equally
44 divided between the men and women determined by gender self-identifica-
45 tion. (*Rule 6.1 & Reg. 4.10*)
46

1 b. Equal Division Rules for the Election of Standing Committee Members
2

- 3 (i) A separate election shall be conducted for membership on each standing
4 committee.
5
6 (ii) The order in which standing committee members are elected shall be
7 determined by a simple majority vote of the Democrats Abroad National
8 Convention delegates at the meeting designated in Section IV.C.1.
9
10 (iii) The membership of the standing committees shall be as equally divided
11 between men and women as possible; the variance between men and
12 women in any committee or among the three committees in aggregate
13 shall not exceed one. (*Call VII.E.2*)
14
15 (iv) Gender non-binary committee members shall not be counted as either
16 male or female for the purposes of equal division, and the remainder of
17 the delegation shall be equally divided between male gender (men) and
18 female gender (women). (*Call VII.E.1*)
19
20 (v) The positions allocated to each presidential candidate on each committee
21 shall be voted on separately, and the winners shall be the highest vote-
22 getter(s) of the appropriate gender.
23
24 (vi) Elections for standing committee members shall, to the greatest extent
25 possible, be open to all genders, subject to the requirement to achieve
26 equal division.
27

28 *Example 1:* Democrats Abroad is entitled to three standing committee
29 members, one for each of the three standing committees. The Democrats
30 Abroad National Convention delegation establishes the order of election
31 as follows: (i) Credentials, (ii) Platform, (iii) Rules and Bylaws. The first
32 election for the Credentials Committee shall be open to all genders. If a
33 woman candidate is elected, the second election (Platform Committee)
34 shall also be open to all genders. If the second election results in the
35 election of a man, the third election to the Rules and Bylaws Committee
36 is, then, open to all genders because equal division will be satisfied re-
37 gardless of the gender of the winner (female/male/non-binary), (fe-
38 male/male/female), (female/male/male).
39

40 *Example 2:* Same facts as Example 1 except the winner of the second
41 election is non-binary. In this case, the third election must result in the
42 election of a male committee member in order to achieve equal division
43 or in the election of a non-binary candidate in order to satisfy the variance
44 requirement.
45
46

1 5. Certification and Substitution
2

- 3 a. The International Chair of Democrats Abroad shall certify the standing com-
4 mittee members in writing to the Secretary of the Democratic National Com-
5 mittee within three (3) days after their selection. (*Call VII.B.3.*)
6
7 b. No substitutions will be permitted in the case of standing committee members,
8 except in the case of resignation or death. Substitutions must be made in
9 accordance with the rules and the election procedures specified in this sec-
10 tion and must be certified in writing to the Secretary of the Democratic Na-
11 tional Committee within three (3) days after the substitute member is selected
12 but not later than 48 hours before the respective standing committee meets.

Section VI General Provisions and Procedural Guarantees

A. Commitment to an Open Party

Democrats Abroad reaffirms its commitment to an open party by incorporating the “six basic elements,” as listed below. As our Party strives to progress in the fight against discrimination of all kinds, these six basic elements have evolved and grown along with the constant push for more inclusion and empowerment. These provisions demonstrate the intention of the Democratic Party to ensure a full opportunity for all minority group members to participate in the delegate selection process. (*Rule 4.A, Rule 4.B & Rule 4.C*)

1. All public meetings at all levels of Democrats Abroad should be open to all members of the Democratic Party regardless of race, sex, age, color, creed, national origin, religion, ethnic identity, sexual orientation, gender identity and expression, economic status, or disability (hereinafter collectively referred to as “status”). (*Rule 4.B.1.*)
2. No test for membership in, nor any oaths of loyalty to, the Democratic Party should be required or used that has the effect of requiring prospective or current members of the Democratic Party to acquiesce in, condone, or support discrimination based on “status.” (*Rule 4.B.2.*)
3. The time and place for all public meetings of Democrats Abroad on all levels should be publicized fully and in such manner as to assure timely notice to all interested persons. Such meetings should be held in places accessible to all party members and large enough to accommodate all interested persons. (*Rule 4.B.3.*)
4. Democrats Abroad, on all levels, should support the broadest possible registration without discrimination based on “status.” (*Rule 4.B.4.*)
5. Democrats Abroad should publicize fully and in such a manner as to assure notice to all interested parties a full description of the legal and practical procedures for selection of DPCA officers and representatives on all levels. Publication of

1 these procedures should be done in such fashion that all prospective and current
2 members of Democrats Abroad will be fully and adequately informed of the per-
3 tinent procedures in time to participate in each selection procedure at all levels of
4 the Democratic Party organization. As part of this, the Democrats Abroad should
5 develop a strategy to provide education programs directly to voters who continue
6 to experience confusing timelines for registration, changing party affiliation dead-
7 lines, or lack of awareness of the process for running for delegate, to ensure all
8 Democratic voters understand the rules and timelines and their impact on voter
9 participation. (*Rule 4.B.5.*)

- 10
11 6. Democrats Abroad should publicize fully and in such a manner as to assure no-
12 tice to all interested parties, a complete description of the legal and practical qual-
13 ifications of all positions as officers and representatives of Democrats Abroad.
14 Such publication should be done in a timely fashion so that all prospective candi-
15 dates or applicants for any elected or appointed position within Democrats
16 Abroad will have full and adequate opportunity to compete for office.
17 (*Rule 4.B.6.*)

25
26 Democrats Abroad’s delegation shall be equally divided between delegate men and
27 delegate women, and alternate men and alternate women, i.e. the number of men
28 and women shall not vary by more than one. Such goal applies to the entire delega-
29 tion, which includes all pledged delegates and alternates and all automatic delegates.
30 Delegates and alternates shall be considered separate groups for purposes of achiev-
31 ing equal division as determined by gender self-identification. In the case of gender
32 non-binary delegates or alternates, they shall not be counted as either male or female
33 for the purposes of equal division, and the remainder of the delegation shall be equally
34 divided by gender. (*Rule 6.C*)

35
36 **D. Selection of Presidential Preference**

37
38 All delegate and alternate candidates must be identified as to presidential preference
39 or uncommitted status at all levels that determine presidential preference.
40 (*Rule 12.A.*) No delegate at any level of the delegate selection process shall be man-

15 bers, and other official Convention participants. (*Rule 16.*)
16

18

23 The unit rule, or any rule or practice whereby all members of a Party unit or delegation

25 body, shall not be used at any stage of the delegate selection process. (*Rule 18.A.*)
26

27 **I. Slates**

28
29 Any individual or group of Democrats may sponsor or endorse a slate of candidates
30 for Convention delegates. But no slate may, by virtue of such endorsement, receive
31 a preferential place on a delegate selection ballot or be publicly identified on the ballot

41 Outreach and Inclusion Programs. (*Rule 1.F & Rule 12.B.*)
42

43 **K. Participation of Overseas Voters**

44
45 In electing and certifying delegates, alternate, and standing committee members to
46 the 2020 Democratic National Convention, Democrats Abroad undertakes to assure

1 all Democratic voters residing outside the United States a full, timely, and equal op-
2 portunity to participate in the delegate selection process and in all party affairs and to
3 implement affirmative-action and outreach and inclusion plans toward that end; that
4 the delegates, alternates, and standing committee members to the Convention shall
5 be selected in accordance with the Delegate Selection Rules for the 2020 Democratic
6 National Convention; and that the certified delegates, alternates, and standing com-
7 mittee members will not publicly support or campaign for any candidate for President
8 or Vice President other than the nominees of the Democratic National Convention.
9 Furthermore, voters outside the United States will have the opportunity to cast their

13 groups, and developing guides and best practices for Country Committee
14 leaders.
15

38 **E. Representation Goals**

39

- 40 1. Democrats Abroad has determined the estimated demographic composition of
41 African Americans, Hispanics, Native Americans, and Asian Americans and Pa-
42 cific Islanders among U.S. citizens living abroad. These constituency percent-
43 ages shall be established as goals for representation in Democrats Abroad's con-
44 vention delegation. *(Rule 6.A.)*
45

2. Democrats Abroad has determined that the demographic composition of African Americans, Hispanics, Native Americans, and Asian Americans and Pacific Islanders in the Democrats Abroad’s Democratic electorate is consistent with the demographic composition of Democratic Party support in key states for Democrats Abroad. Key states for Democrats Abroad, according to voter registrations at www.votefromabroad.org and membership in Democrats Abroad, are California, New York, Massachusetts, Pennsylvania, and Florida.

Democrats Abroad has also determined that the demographic composition of members of the LGBT community, people with disabilities, and youth is consistent with the demographic composition of Democratic Party support in key states for Democrats Abroad. Furthermore, Democrats Abroad has chosen to establish these percentages or higher as goals for representation in Democrats Abroad’s convention delegation.

	African Americans	Hispanics	Native Americans	Asian Americans and Pacific Islanders	LGBT Americans	People with Disabilities	Youth
Percent in Democratic Electorate	17.8	16	0.4	4.9	11.7	9.8	24
Numeric Goals for Delegation	4	4	1	2	3	3	6

3. When selecting the at-large portion of the delegation, the demographic composition of the other delegates (pledged PLEO and unpledged) shall be compared with Democrats Abroad’s goals in order to achieve an at-large selection process that helps to bring about a representative balance. A comparison including already-selected at-large delegates will be reported prior to each selection of any member of the delegation, by the chair of the body voting on that selection.

4. Use of the at-large delegation to achieve the affirmative action goals established by this Plan does not obviate the need for Democrats Abroad to conduct outreach activities such as recruitment, education, and training. *(Rule 6.A.3.)*

F. Obligations of Presidential Candidates to Maximize Participation

1. Presidential candidates shall assist Democrats Abroad in meeting the demographic representation goals reflected in the Affirmative Action Plan and Outreach and Inclusion Program. Presidential candidates shall publish information online specific to participation in Democrats Abroad’s delegate selection process, shall promote or advertise such information to Democratic constituencies among Americans living abroad, and shall make widely accessible information regarding the availability of financial assistance for delegates from the presidential

1 candidate's campaign. Compliance with these affirmative action obligations shall
2 be verified by the Affirmative Action Committee (*Rule 6.H.*)
3

- 4 2. Statement of Full Participation. Each presidential candidate shall submit a state-
5 ment that specifies what steps the candidate is taking and will take to encourage
6 full participation in the delegate selection process, including, but not limited to, (i)
7 whether the presidential candidate's campaign may defray all or part of the ex-
8 penses of those delegates otherwise unable to participate in the National Con-
9 vention and (ii) procedures by which persons may file as candidates for delegate
10 or alternate. Presidential candidates are required to present this information no
11 later than January 6, 2020 in their letters of candidacy referred to above. (Sec.
12 II.B.3, *Rules 6.G., 6.H.1., and 6.I.*) Presidential candidates are also required to
13 submit such full participation statements to the DNC Rules and Bylaws Commit-
14 tee at the same time they are submitted to Democrats Abroad. (*Rule 6.H.1*)
15
- 16 3. Each presidential candidate must submit demographic information with respect
17 to all candidates for delegate and alternate pledged to them. Such information
18 shall be submitted in conjunction with the list of names approved for consideration
19 as delegate and alternate candidates pledged to the presidential candidate.
20 (*Rule 6.H.2.*)
21
- 22 4. Presidential candidates (including the delegation of uncommitted status) shall use
23 their best effort to ensure that their respective delegations within Democrats
24 Abroad's delegate, alternate, and standing committee delegations shall achieve
25 the affirmative action goals reflected in the affirmative action plan and that the
26 respective delegations of each presidential candidate shall be equally divided be-
27 tween men and women. (*Rule 6.I & Reg. 4.9.*)
28

29 **G. Outreach and Inclusion Plan**

30

- 31 1. Democrats Abroad is committed to help achieve full participation of those groups
32 of Americans who have historically been explicitly denied the right to vote or who
33 have been subjected to discriminatory and exclusionary practices that have de-
34 nied them voting rights and full participation in the delegate selection process and
35 other Party meetings, events and elections, along with other groups of Americans
36 who are also underrepresented in Party affairs.
37
- 38 2. As such, Democrats Abroad has developed outreach and inclusion programs and
39 is committed to fully implementing the programs so that all persons who wish to
40 participate as Democrats understand they are welcome and encouraged to be a
41 part of the delegate selection process and in the Party at the local, national, and
42 global levels.
43
- 44 3. Democrats Abroad will make accommodations to facilitate greater participation
45 by people with disabilities, by including reasonable physical accommodations in
46 the selection of the venue for the Global Convention, bringing online processes

1 into compliance with standards where feasible, and soliciting feedback from peo-
2 ple with disabilities.

- 3
4 4. In addition to the education, publicity and other steps described above, Demo-
5 crats Abroad will continue its Travel Fund program to encourage the participation
6 in the regional conventions and Global Convention of those historically un-
7 derrepresented due to financial constraints. The Affirmative Action Committee will
8 also encourage presidential candidates to establish similar programs.

MEDIA PLAN

Media Outreach and Publicity

[Assets & Resources](#)

[Media Distribution](#)

[Stakeholder Engagement](#)

[Documentation & Reporting](#)

To achieve participation in the delegate selection process and in Party organization at all levels by the groups identified in the 2020 Delegate Selection Plan for the Democratic National Convention, Democrats Abroad commits to maximizing our reach among Democrats living around the world.

A multi-pronged effort is required to reach international voters, due to the unique demographics of Democrats Abroad. This requires utilizing traditional and “new” media, at a global, national, and local level.

Media plans will aim to raise visibility of the Party in international markets, through as many forms of communications as possible.

Assets & Resources

1. ONLINE PRESS KIT

Democrats Abroad will create a press kit to be used at an international level, with templated components that can be used by Democrats Abroad leaders at a country level as well as locally, in English or local language.

The initial media kit will include:

- Introduction, identifying the opportunity for media to cover the DPCA DSP and GPP
- Press announcement & media contact details
- Times, dates, and locations of the Regional Conventions and Global Convention
- Summary of how to become a candidate for National Convention Delegate or Alternate
- Summary of how Americans abroad can participate in the Global Presidential Primary
- Brief abstract of how delegate selection works
- Background on Democrats Abroad and the Global Primary
 - Fact sheet/FAQ
 - Statement on Democrats Abroad’s commitment to holding a fair, free, and unbiased Global Presidential Primary
 - Previous press coverage

- Details of key global spokespeople
- Requisite visual assets (eg DPCA logo)

2. EXPLAINER MATERIALS

Most international editors and journalists are less familiar with the facts of voting from abroad, and many Americans abroad are highly embedded in their local communities, with little access to U.S. media and limited knowledge of how they can be involved.

Consequently, **explainer materials to supplement the initial press kit will include:**

- Outline of eligibility of U.S. citizens living abroad (both uniformed and civilian) to vote in primary and general elections, and what it means to vote in the Global Presidential Primary
- Reference materials on the importance of voting for Americans living abroad
- Summary of what is expected at the Democratic National Convention in 2020 and key events leading up to and following the convention

3. PROMPTS TO SHARE & ENGAGE

Further resources will be made available to encourage information sharing throughout the DPCA network of Americans around the world.

These assets will include:

- Print collateral (eg brochures and posters) will be made available and used where appropriate and effective
- Online event postings
- Press coverage
- Social assets (#TBT of previous years, scripted posts about engagement and process, reminders of DSP and GPP activities and timelines, etc)

Media Distribution

All assets and resources will be made publicly available on the Democrats Abroad website. Those materials prepared for the general public will also be shared on social media properties at global and local levels, as well as through DPCA caucuses to better target and reach these marginalized constituencies.

Social media targeted advertising will be used to reach new audiences of Americans abroad who may not otherwise learn about the DSP and GPP.

Primary social media platforms include Facebook, Twitter and Instagram.

International Media Outreach

Throughout the delegate selection process and global presidential primary, Democrats Abroad will reach out to key global media outlets as well as those domestic outlets in the U.S. with considerable international audiences. This includes:

INTERNATIONAL & US PRINT MEDIA	NEWSWIRES / AGENCIES	TV/RADIO	ONLINE NEWS SITES & OTHER MEDIA
<i>BBC • Boston Globe • Chicago Sun-Times • Los Angeles Times • Stars and Stripes • Foreign Policy • The Guardian / Observer • The International New York Times • Los Angeles Times • The Miami Herald • The New Republic • The New York Times • Sacramento Bee • The Wall Street Journal • The Washington Post • Time • USA Today</i>	<i>• Agence France-Presse • Agencia EFE • Associated Press • Bloomberg • Canadian Press • Chicago/LA New Agency • Reuters</i>	<i>• ABC • BBC • Bloomberg • CBC • CNN • ITN • MSNBC • NPR • PBS • Sky</i>	<i>• Ballotpedia • Bustle • BuzzFeed • Daily Kos • The Hill • Huffington Post • Mother Jones • Politico • Real Clear Politics • Rewire • Salon • Slate • The Intercept • Talking Points Memo • Teen Vogue • Thinkprogress • VOA • Vox • Crooked Media (Pod Save America et al)</i>

Local Media Outreach

Releases to local media outlets are to be designated by each Country Committee in coordination with the Affirmative Action Committee. If Country Committees find other communities of American citizens that are more comfortable in a language other than English, media using these languages will be targeted as well. Country Committees are encouraged to localize the materials provided in the press kit to ensure local relevance.

The Democrats Abroad Communications Director will work with the Affirmative Action Committee, Country Committees and Chapter Chairs to further develop local media lists in their countries. These lists will be in place by September 15, 2019.

Country Committees, with support from the Democrats Abroad Communications Director, will be responsible for liaising with these media outlets throughout the DSP and GPP, and providing highlights of coverage to the global leadership team. Sample media outlets include but are certainly not limited to:

- ABC (Australia) • The Age • Berliner Zeitung • Channel News Asia • The Copenhagen Post • El País • Estado de Sao Paulo • Global News • The Globe and Mail • Ha'aretz • Hamilton Spectator • The Independent • The Irish Times • The Japan News by The Yomiur Shimbun • Le Monde • The Local (various) • Mexico News Daily • Montreal Gazette • National Post • The Paris Times • SBS (Special Broadcasting Service) • The Scotsman • The Straits Times • The South China Morning Post • Sydney Morning Herald • Toronto Star • The Vienna Review • The Prague Post*

In addition to traditional media, television and radio, Country Committees will be encouraged to reach out to any podcast producers and bloggers that may have substantial reach among constituents.

Targeted Media Outreach

Democrats Abroad will reach out to media outlets which cater to specific minorities and constituent segments. Realistically, some groups may not be represented outside the United States, and/or they are represented in the dailies and general interest outlets in their local area.

All DPCA caucuses will be encouraged to identify those outlets that may be of particular interest to their constituents. In some cases, members of minority groups living abroad use American online news sources. These may include websites such as:

Advocate • Fusion Online • NBC Latino • NewsOne • The Root

Stakeholder Engagement

Internal Stakeholders

Democrats Abroad in-country leaders are very often the best conduit for reaching local Americans and local American communities. Therefore, our success is dependent on ensuring that these internal stakeholders are informed, engaged and empowered.

Through both internal and public facing areas of our website, weekly and ad-hoc emails and monthly video conferences by region, these local leaders will be kept up to date at all times, in terms of the status of the DSP preparation, this includes internal schedules, expectations and responsibilities of lead volunteers. These platforms also provide full opportunity for leaders to raise issues, ask questions, and share success stories, to further improve the Delegate Selection Plan and Global Presidential Primary.

General members will also be kept up to date of this information and process, through web content, online speaker sessions, social media posts, email updates, and regular reminders at in-person events.

International Stakeholders

Through community outreach and global activism, Democrats Abroad has a strong network of organizations and interest groups, which we work with from time to time on particular issues of interest. At a global level, we will reach out to those organizations with a strong international structure. For those organizations managed fully at a local level, Democrats Abroad Country Committees will be encouraged to liaise directly.

The DPCA will utilize the organization's global caucuses to engage international stakeholder groups as well. These caucuses maintain an active global presence and include the Global Black Caucus, Hispanic Caucus, LGBT Caucus, Progressive Caucus, Women's Caucus, and the Youth Caucus.

Democrats Abroad will provide these organizations with similar materials to inform American voters about the Delegate Selection Plan and Global Presidential Primary. Organizations who we will reach out to include but are not limited to:

PAGE (Progressive Action, Global Exchange) • Black Women in Europe • non-partisan advocacy groups for Americans Abroad • the Global Women's March • Indivisible • various black, Hispanic, and LGBT fraternities and sororities with global activities •

Through its verified Twitter account, Democrats Abroad will reach out to influencers who have previously helped to drive awareness of DPCA GOTV activities and encourage them to share news of our delegate selection process and global primary. These influencers include but are not limited to Michael Blake, Earl Fowlkes, Michael Kapp, Grace Meng, Alyssa Milano, Malcolm Nance, Joe Scarborough, and George Takei.

Documentation & Reporting

Media outreach and coverage, as well as successful stakeholder engagement activities and social media reach, will be tracked and made available.

DEMOCRATS ABROAD CALLS ON AMERICANS ABROAD TO PARTICIPATE IN 2020 PRESIDENTIAL PRIMARY

- Organization makes push to reach historically underrepresented minority groups -

WASHINGTON, May 03, 2019 – Democrats Abroad, the largest organization for Americans living overseas and the official Democratic Party arm for the millions of Americans living outside the United States, today announced the adoption of its 2020 Delegate Selection Plan.

The Delegate Selection Plan outlines how American Democrats living abroad can participate in the presidential primary process and takes its place alongside plans from all other state Democratic parties. Key elements include rules and processes for the Democrats Abroad Global Presidential Primary (March 3-10, 2020), and how delegates will be selected to represent Americans abroad at the 2020 Democratic National Convention.

“The Global Presidential Primary and Delegate Selection Process ensures Americans abroad have the opportunity to easily participate in the Democratic primary process while also bringing our unique issues to the attention of Democratic presidential candidates,” explained Julia Bryan, Democrats Abroad International Chair. “Democrats Abroad is representative of the millions of Democratic voters living abroad and voting in all 50 states; we welcome participation by the wide range of citizens living outside the US who share the core values of the Democratic Party, and we are making every effort to engage more Americans living abroad than ever before.”

All Americans living outside the United States may participate in the primary and run for a convention delegate position, provided they are eligible to vote and turn 18 on or before November 3, 2020, and that they are Democrats Abroad members.

Members will be notified on how they may run for a delegate position and participate in the Global Presidential Primary, including voting dates and locations, as well as how new voters (and those voting overseas for the first time) can register and request their ballots for general and special elections throughout 2020.

Democrats Abroad’s delegation to the 2020 Democratic National Convention will consist of 12 elected delegates and one alternate, in addition to the eight Democrats Abroad Democratic National Committee members.

Democrats Abroad is also taking major steps to encourage participation by the full and diverse composition of the Democratic electorate, through the Democrats Abroad Affirmative Action Committee. The organization will focus on reaching groups historically underrepresented in Democratic Party affairs, by virtue of race, ethnicity, age, sexual orientation, gender identity, or disability.

"All of the Democrats Abroad Affirmative Action Committee members are proud Americans who are just as enthusiastic about 2020 as I am in taking back the White House. As such, we are

fully committed to looking closely at every step of the delegate selection process to identify opportunities for participation by our members who come from historically disadvantaged groups,” said Michael Ramos, who serves as Chair of the Democrats Abroad Affirmative Action Committee.

Details on how to participate in the primary process can be found in the Democrats Abroad Delegate Selection Plan, available here: www.democratsabroad.org/2020primary.

Key Upcoming Dates:

- 3-10 March 2020: Democrats Abroad Global Presidential Primary

PUBLIC COMMENTS

PUBLIC COMMENT NO. 1 (SARAH WHITMAN)

I have skimmed the delegate selection plan, have never read one before so I have no comparisons to offer, found it to be very thorough. I can suggest two insignificant changes: on page 53 'to cover the DPCA ...', and on page 55 to add a space at the end of 'Mexico News Daily'. Thank you for all your work on behalf of DA.

PUBLIC COMMENT NO. 2 (ANN WASWO)

Sorry, but I don't have the time or inclination to read and comment on all this. I just hope that delegates come from a wide variety of Democrats Abroad constituencies, not just those in Europe [currently at least including the UK].

PUBLIC COMMENT NO. 3 (PETER J. FOLEY)

The number of 21 delegates to the Democratic Convention is too few given the size of the democrats living outside the U.S.

PUBLIC COMMENT NO. 4 (JEFF TSCHIRLEY)

I am unable to comment helpfully on a document such as this but would observe that during a quick glance, item A.1.b. strikes me as an open ended way to stack a delegation in a direction that may not reflect the views of most delegates. Just a thought.

If there will eventually be a policy platform prepared by Democrats abroad for key issues arising during the 2020 election period, I would be interested in seeing it and may have some comments to offer.

PUBLIC COMMENT NO. 5 (DAVID S. MILLER)

I've read the draft DSP, and I have a couple of serious concerns, as well as some suggestions, comments, and typo corrections. (It's a very long, yet hopefully very cogent, email.)

I'll participate in the DSP Town Hall this Saturday.

As a heads up prior to the Town Hall, here are my concerns, suggestions, comments, and typo corrections in detail (and in order of priority from my point of view):

1) Election of delegates and the Affirmative Action Plan

In Section III C 6 (viii) (3) [page 24 line 24], it's ironic that it refers to promoting balance, yet the rules do the exact opposite:

“To promote balance as to gender, racial, or ethnic minority representation, and in consideration for historically under-represented groups, the election of each National Convention delegate shall consist of one round of cumulative voting to eliminate delegates who fail to meet a threshold, followed by a round of Ranked Choice Voting to select a delegate from the remaining candidates. Prior to each election, the chair of the PPG shall report the comparison of the representative goals to the demographic composition of the already-elected National Convention delegates (including automatic delegates), in accordance with Section VII.E.3.”

The first problem has to do with the 15% threshold [p. 24 l. 35]:

"For the first round, each elector will cast a ballot that allows for up to three votes to be cast for one or more delegates. The first round shall eliminate all candidates who do not meet the threshold of 15% of the total votes."

It seems to me that in the EMEA Regional Meeting, the three largest CC's (UK, Germany, France) plus one or two other CC's such as Italy, the Netherlands or Spain, could decide all of the EMEA delegates. Seeing how things went in 2016 at the EMEA delegate elections in Berlin, we could end up with predominantly (or solely) white, straight, older than 35 delegates reaching the 15% threshold, which adds nothing to our Affirmative Action goals.

I suggest that instead of a 15% threshold, in the first round, electors vote for 10 female and 10 male candidates (including non-binary) in no particular order. This will give an opportunity for electors to consider the 8 Affirmative Action categories when determining the pool of candidates that can be voted on. The 10 female and 10 male candidates (including non-binary) who receive the most votes can run for a delegate position in the second round, which is voting for 1 candidate (and not Ranked Choice Voting, see below).

If this is done for 10 female candidates and 10 male candidates (including non-binary), these same pools of candidates could then be used for the remainder of the Regional delegate elections. A similar system would be used for the Global election of delegates.

The second problem has to do with Ranked Choice Voting's negative impact on the Affirmative Action goals [p. 24 l. 40]:

"The second round shall select a single National Convention delegate from among the remaining candidates using Ranked Choice Voting, specifically Instant Runoff Voting as described by "Maine Question 5, 2016" for Maine's Congressional elections."

Based on my experience as an EMEA elector for Bernie Sanders delegates at the 2016 DA Global Convention in Berlin, it's important that electors can decide who to vote for as the elections for the individual delegate positions progresses. Affirmative Action criteria are taken into consideration, particularly as the electors can see that few or none of the Affirmative Action categories are represented. For instance, the two first Bernie Sanders EMEA delegates were a straight white male over 36 and a straight white female. The third delegate was an African American male (and Youth?), which was a deciding factor for many of the electors. In the second round of voting for Bernie Sanders alternate, an African American, LGBT, Person with a Disability, Youth was elected over the front-runner straight white male over 35 who was leading in the first round. (There were also other factors as to why the straight white male lost the second round, but Affirmative Action criteria played an important role.)

With Ranked Choice Voting, deliberations among electors to take Affirmative Action criteria into consideration as the votes progress will be impossible, such as in the case of the Bernie Sanders alternate.

I suggest we use the same system that we used in 2016, and not use Ranked Choice Voting.

The above also applies to the election of delegates at the DA Global Convention, which according to the draft DSP follows the same procedures as for Regional elections of delegates.

2) 300 DA member signatures for presidential candidates [p. 5 l. 3]

In Section II A 2., I understand the desire to only have serious presidential candidates running in the DA Global Primary, but I feel the rule that presidential candidates need to gather 300 DA member signatures (and pay \$2,500) to have access to the DA ballot is not rooted in the currently reality of 16 or so Democratic presidential candidates, about half of whom I consider serious and viable. This is in contrast to 2016, when there were two very strong candidates (Bernie Sanders and Hillary Clinton), and one less serious candidate (Roque "Rocky" De La Fuente).

I assume the 300 signature rule is to discourage less serious candidates.

However, perhaps it will discourage too many candidates.

No matter what, if it discourages serious candidates, the DSP is doing our membership a disservice by making it difficult for serious presidential candidates to have access to our ballot, and thus disenfranchising DA members from voting for these candidates.

One question is how will presidential candidates get access to 300 DA members? It's not like a U.S. state, where you can basically go door to door to get signatures. You can't do that in Japan or Denmark, because you'll almost always get a Japanese citizen or Danish citizen answering the door.

Presidential candidates are not allowed to use the DA membership database.

So the only option as far as I can tell is for the DA leadership to send an email to the entire membership with a link to each presidential campaign that has expressed interest in accessing the DA ballot, where members can sign a petition to get a particular candidate on the the DA ballot.

Is this the plan? Otherwise, I don't see how it's going to work.

Therefore, I'm not sure that the 300 signature rule is a good idea, and perhaps should be abandoned.

3) Disenfranchisement of our members to vote for their candidate of choice with the DNC-mandated 15% threshold for presidential candidates [p. 6 l. 28]

In Section III A 1. a., I understand that the DNC is requiring DA to drop any presidential candidates in our Global Primary who get less than 15% of the global vote among our membership. And maybe this rule made sense in a 2016 situation with basically two main candidates.

However, in 2020, we can expect 10 or more strong Democratic presidential candidates.

We risk that only one will get above 15% of the vote, yet 2-3 may get between 10-14 percent of the vote.

For instance, if we have 7 presidential candidates in the DA Global Primary, 1 candidate may get 25% of the vote, and the other 6 candidates would have an average of 10-11% of the vote each, and would represent 75% of the total membership vote. I.e., 75% of DA voters would be disenfranchised.

I feel that Ranked Choice Voting should be used in the DA Global Primary. This would mean that members' votes don't get lost due to the 15% rule.

(An online voting system, something that I've mentioned to Julia Bryan, would make Ranked Choice Voting easy to tabulate.)

4) Mention of online voting

Section I C 2. [p. 3 l. 15] reads:

"Democrats Abroad supports and will continue to support the efforts of Democratic State Parties and legislators to enhance voter and election security, particularly but not exclusively in the delivery and processing of ballots cast from outside the United States."

The DSP currently mentions in-person voting, voting by mail, by fax, and by email. There is no mention of online voting. I've been in touch with Julia Bryan about such a possibility (a particular system). I feel the DSP should be worded to include the possibility of online voting, without it being a required option. For instance, Section I 5. a. [p. 3 l. 38], which currently reads:

"The ballot for voting by mail, fax, or email will incorporate features to safeguard against error and fraud; (Rule 2.K.1) "

should read:

"The ballot for voting by mail, fax, online (if available) or email will incorporate features to safeguard against error and fraud; (Rule 2.K.1)"

These changes should be made throughout the DSP. (I've marked them in my printed copy.)

Also, mention of how to vote online (if available) should be inserted after Section III B 5. (Voting by Email) [p. 18 l. 32]:

"6. Online voting (if available)

"If online voting is made available, ballots may be cast online by members, including at Voting Centers, Member email addresses used to identify members in the Democrats Abroad membership database will be used as one of the identifiers to properly identify members. Such online ballots (if available) may be cast from 12:00 am New Zealand Daylight 27 Time on March 3, 2020 until 12:00 am Pacific Standard Time on March 11, 2020."

5) Weighted influence of the largest Country Committees (at least in the EMEA Regional Convention)

Assuming that voter turnout will more or less be larger with the large CC's (in EMEA it's the UK, Germany, and France), in the EMEA Regional Convention, these 3 CC's along with one or two other CC's (such as Italy, the Netherlands, or Spain) would be enough to elect all of the delegates. This could have a negative impact on the Affirmative Action goals, and excludes the majority of CC's in EMEA from having influence.

Could there be a rule that in the Regional Conventions, if there are 3 or more delegates to be elected, at least one elected delegate must be from among a Country Committee that is NOT among the top 5 CC's in terms of voter turnout?

This would be a way to ensure some kind of inclusiveness in terms of the smaller CC's, and could have a positive effect in reaching the Affirmative Action goals.

6) Confusing wording of formulas

I find the wording of the Delegate Apportionment Formula (Section III A 1. c.) [p. 6 l. 38] and the Regional Re-apportionment Formula (Section III A. 3. a.) [p. 8 l. 13] to be confusing. It could be reworded, and/or examples could be used to illustrate the formulas.

7) Why use 0.455 for rounding up?

In the DSP, 0.455 is used as the basis for rounding up to the nearest whole number instead of 0.500, such as in Section III A 11. [p. 12 l. 39]"

"In any calculation required hereunder except as otherwise indicated, any number that may require to be rounded shall be rounded upwards to the nearest round number if it is equal to or greater than 0.455 and shall be rounded downwards to the nearest round number if it is less than 0.455."

What is the reason for using 0.455 for rounding up to the nearest whole number, rather than 0.500?

8) Specific Voting Center instructions for tallying ballots

Based on my experience in the 2008, 2012, and 2016 Copenhagen Voting Centers, and knowing how paper ballots are tallied in Danish local and parliamentary elections, in the interest of transparency and ballot integrity, I suggest the DSP provides the following or similar instructions for tallying paper ballots, for instance as a new Section III B 2. c. (v) [p. 16 l. 3]:

"Voters should place their ballot in a sealed ballot box that has a slot for inserting the ballot. Ballot boxes may be sealed with tape, plastic strip, wire, or another secure method. If sealed by tape, the Voting Center Manager should sign the tape over the area of the seal.

"A separate area in view of voters and others should be used for tallying ballots. This could be the corner of the main room where voting took place, or a separate room where the door should be kept open so voters and others can observe the tallying process from a distance.

"Ballot boxes should be emptied for tallying upon the closing of the Voting Center. If it is not possible to tally the ballots upon the closing of the Voting Center, the Voting Center Manager should announce the time and place of where the ballots will be tallied, which should be a publicly accessible venue.

"A large table or several tables placed together should be used for emptying the ballot box. Without placing hands in the ballot box, the ballot box should be tipped over the table so the ballots fall onto the table. Any ballots that fall on the floor should be immediately picked up and placed on the table. The empty ballot box should be tipped toward the people in the room so they can see that it is empty.

"If there are any ballots stuck in the ballot box, the ballot box should be tipped toward the people in the room so they can see the stuck ballots, and then one of the tellers should reach into the ballot box, remove the stuck ballots and place them on the table, and then tip the empty ballot box to the people in the room so they can see it is empty.

“The results of the tally should be announced in the room, and it should be announced that the tally is only for the in-person voting and not email voting, etc., and that Democrats Abroad’s International Chair will be responsible for announcing the final global tally.”

9) Access to Voter Centers by voters with disabilities

A new Section III B 3. d. (ii) [p. 17 l. 15] should be inserted:

"If disabled voters are not able to enter a Voting Center, the Voting Center Manager should ensure that such disabled voters be able to contact Voting Center staff so a ballot can be cast immediately outside the voting center.”

10) Mention of using computers and/or paper forms for registering new members of Democrats Abroad prior to voting

A new Section III B 3. c. [p. 17 l. 1] should be inserted:

"Voting Centers should have adequate space and means for voters to join Democrats Abroad prior to voting, including the use of paper forms and/or computers and online forms for joining Democrats Abroad."

11) Gender-neutral wording

In keeping with Democrats Abroad’s goal of being inclusive, the DSP should to the extent possible avoid using “his/her”, “he/she” and other binary gender-specific wording throughout the document. An example can be found in Section III C 6. a. (i) [p. 21 l. 45]:

"In order to register, each regional convention elector shall sign a statement of support for **his/her**-presidential candidate (including uncommitted) indicating the Country Committee and Chapter (if applicable) of which **he/she** is a member.”

12) Delegate candidate gender when applying to be a delegate candidate

In Section III A 7. b. [p. 10 l. 8] (and perhaps other places in the DSP), a delegate candidate should declare the candidate’s gender identity (e.g., female, male, non-binary).

13) What is a “non-voting Country Committee in good standing”?

See Section III A 3. [p. 8 l. 4].

14) Additional wording re: inability of authorized representative of presidential candidate, et al., to run as a delegate or alternate candidate

The words “, or anyone who has influence over the approval of delegate or alternate candidates,” should be added to Section III A 7. f. [p. 11 l. 5]:

"Any authorized representative for a presidential candidate or preference group who is responsible for the approval of delegate and alternate candidates (as provided in Section VII, below), **or anyone who has influence over the approval of delegate or alternate candidates**, is not eligible to be a candidate for at-large delegate, alternate, or pledged PLEO delegate for any presidential 6 candidate (including uncommitted)."

15) Should Super Tuesday be the first or last day of our Global Primary?

In the U.S., absentee ballot voting takes place up to the day of in-person voting. In our Global Primary, Super Tuesday, which will be a recommended day to have Voting Centers open, is the first day of our Global Primary. I understand the reasoning for this (it could lead to more participation via email ballots, or more weekend in-person voting for Voting Centers open during the weekend after Super Tuesday), but we should consider how this fits in to what's considered normal voting practice.

16) Is campaigning allowed at Voting Centers?

See Section III B 6. c. [p. 18 l. 43]:

"The International Chair of Democrats Abroad **shall establish uniform rules and regulations for "campaigning" of any nature at any Voting Centers**. No preferential treatment shall be accorded to any campaign(s). Voting Center Managers shall post these uniform rules and enforce them. "

17) Use of "race" and "racial"

See [p. 12 l. 21], etc.

Professionally, I work with communications and the framing of messages. In general, I do not like using the word "race" (or "racial"), as it implies that there are different races; all humans are of one race. If necessary, I prefer "color of skin" (as Dr. Martin Luther King, Jr. used) or "skin color", etc., to denote such differences (socially, historically, etc.). The reason for this is that words matter, and if we use words that cause us to think of a frame where people are fundamentally different (e.g., "race"), then it is more difficult to negate that frame. If Democrats Abroad can come up with more suitable wording (as we did in redefining "sex" in terms of electing the Chair and Vice Chair), this could benefit the entire Democratic Party at some point.

18) What does "respective constituencies" mean?

See [p. 22 l. 28]:

"All committees and officials of Democrats Abroad shall take such practical steps as may be within their legitimate power to assure that all regional conventions and the Global Convention, and all committees include: men and women, various age groups, racial-minority groups, economic groups, traditionally under-represented groups, and representatives of identifiable geographically-

defined populations—all in reasonable relationship to the proportions in which these groups are found in the population of the **respective constituencies** and without discrimination based on creed or religious preference, sexual orientation, or physical disability.”

19) Affirmative Action Committee report

The agenda of the Global Convention should include a report of the Affirmative Action Committee. See Section iii D 2. c. [p. 27 l. 2].

20) Consequences of presidential candidate not using best efforts to meet Affirmative Action goals

What are the consequences if a presidential candidate (or its representative) does not use best efforts to meet the Affirmative Action goals? See Section III F 4. d. [p. 30 l. 31-37].

21) Various typos, omissions, etc.

[p. 4 l. 32]: insert “residing abroad”, as in “participation of all Democrats residing abroad.”

[p. 5 l. 41] Cap “Presidential”.

[p. 5 l. 43] Cap “Presidential”.

Section III A 3. b. [p. 8 l. 33-39]: The last sentence of this paragraph in line 38 should be moved to line 33 as the second sentence of the paragraph.

[p. 12 l. 16]: Why are “women” mentioned as a priority of consideration, when voting is more or less 50/50 for women and men. Also, women aren’t considered an Affirmative Action category.

[p. 14 l. 43]: Change “but would not be limited to” to “but is not limited to”.

[p. 17 l. 28]: Delete comma after “Voting Center”.

[p. 18 l. 44]: Change “Voter Centers” to the singular “Voting Center.”

[p. 19 l. 24]: Change “that region” to “the respective region”.

[p. 19 l. 46]: Change “All elected national officers” to “All Country Committee officers”.

[p. 27 l. 32.33]: Cap “Affirmative Action Plan”.

[p. 28 l. 10]: Cap “Affirmative Action Plan”.

[p. 30 l. 35-36]: Cap “Affirmative Action” as in “the Affirmative Action section of this Plan.”

[p. 31 l. 5]: Add “or is otherwise unable to serve” as in “when a delegate resigns or dies or is otherwise unable to serve”.

[p. 32 l. 46]: Add “, or such delegates are otherwise unable to serve” as in “In the case of death of such delegates, or such delegates are otherwise unable to serve;”

[p. 36 l. 17]: Change “appropriate” to “pertinent”.

[p. 37 l. 2]: Insert “or otherwise not able to serve.” after “death”.

[p. 37 l. 43]: Delete comma after “possible”.

[p. 37 l. 44]: Cap “Affirmative Action”.

[p. 38 l. 20]: Should “the Democratic Party” not read “Democrats Abroad”?

[p. 38 l. 44]: Delete “the” preceding “Democrats Abroad”.

[p. 41 l. 3]: Insert “in the respective state they vote in” after “election ballots”.

[p. 41 l. 37]: Why are “women” mentioned as a priority of consideration, when voting is more or less 50/50 for women and men. Also, women aren’t considered an Affirmative Action category.

[p. 47 l. 29]: Change “local, national,” to “Chapter, Country Committee,”

[p. 51]: In the 5th column of the 3rd row of the top table, add “2019” as in “Two (2) elected as Chair and Vice Chair of DPCA during Democrats Abroad’s 2019 Global Meeting.”

PUBLIC COMMENT NO. 6 (DAVID S. MILLER)

Here are some follow-up comments to the draft DSP after the Webex call yesterday. The numbers refer to the numbering in my original email (below).

Ad 1) Election of delegates and the Affirmative Action Plan [p 24 l. 24, etc.]

In terms of electing delegates and adhering to our Affirmative Action goals, rather than cutting those delegates who do not reach 15% of the vote in the first round, I suggest that we keep 12 female delegates (including non-binary) and 12 male delegates (including non-binary) who have the top votes.

I suggest that we only vote once, for instance in the Regional Convention, to pare down the delegate candidate list to get it down to 24 delegate candidates. These 24 would then run in the subsequent elections (for instance for 3 EMEA delegate positions for one presidential candidate).

(The number could be less than 12 female or non-binary or less than 12 male or non-binary if there aren't that many delegate candidates available for a particular presidential candidate in a particular region or for the Global delegate elections.)

If we must vote each time for paring down the delegate list for each delegate position, then electors could keep voting for the same delegate candidates (adding one after each delegate is elected, for instance one extra female or non-binary after a female delegate candidate is elected).

As I mentioned in my previous email (and on the Webex call), I suggest that we do not use Ranked Choice Voting in the second round to elect delegate candidates, as this would make it impossible to take into consideration our Affirmative Action goals as the voting progresses, **and according to the DSP, we must take these goals into consideration, even if they're not mandated.**

Ad 2) 300 DA member signatures for presidential candidates [p. 5 l. 3]

As I mentioned in my previous email and on the Webex call, I feel that the 300 signature rule is a bad idea, as it may very likely keep some viable candidates away from running in the DA Global Primary, as it limits ballot access.

The example used on the Webex call of the ability of Bernie Sanders to gain new members in 2016 is misleading. Bernie Sanders motivated our current and new members to vote in 2016, and some of these new members were due to the Bernie campaign abroad. However, the core of these new members that joined due to the Bernie campaign abroad had little or no interest in DA, other than to control the Bernie delegates at the Democratic National Convention.

As I mentioned on the Webex call, many of these core Bernie campaign abroad that were DA members, ran slates through Our Revolution Abroad against other DA members in the 2017 CC ExCom elections (e.g., Denmark, Spain). In the case of Denmark, none of them won, yet when asked afterward if they wanted to be active on the ExCom with ex-officio voting positions, they declined. The vast majority have not been active in DA Denmark since.

Gaining new DA members in order to get signatures for a campaign (Kamala Harris, Elizabeth Warren, Cory Booker, et al.) will have the tendency that these new members who are core to a campaign will be loyal to the campaign itself, and not necessarily the future of DA. (At least this is what we witnessed with at least one campaign in the past.)

Therefore, I suggest we drop the 300 signature rule.

However, if we keep the rule, then I suggest that certain procedures and deadlines be stated in the DSP (including the timeline), such as the Sept. 1, 2019 deadline for the International Chair [p. 5 l. 5]:

"The International Chair, upon request, shall make the form and rules governing the petition process available to presidential campaigns on or before September 1, 2019."

In addition, the DSP should mention that DA will send out an email to the entire membership with links to the various signature forms (hosted by DA or the campaigns?), for instance by September 13, 2019 (beginning of the implementation of the Affirmative Action Plan) [p. 43 l. 7].

Ad 3) Ranked Choice Voting in the Global Primary (DNC-mandated 15% threshold) [p. 6 l. 28]

As I mentioned on the Webex call, I will investigate pricing for ballot scanners (to be placed at the International Chair's tallying venue) and a tallying system to tally paper/PDF ballots with Ranked Choice Voting.

Even if we decide not to use RCV, I will investigate what the scanners cost just for tallying one-candidate ballots (like the ballots used in previous Global Primaries) to make it easier for the tellers.

I'll get back to the DSP Committee and the International Chair once I have the information.

Ad 4) Dropping the suggestion of online voting

As I mentioned on the Webex call, I'm dropping my suggestion that we mention in the DSP online voting in the Global Primary.

Ad 14) Additional wording re: inability of authorized representative of presidential candidate, et al., to run as a delegate or alternate candidate

As I wrote in my previous email as well as I mentioned on the Webex call, I feel that not only the presidential candidate's representative, but also anyone who has influence over a delegate candidate list should not be allowed to be on the list, as it is a conflict of interest and unethical, and goes against the spirit and intent of the Conflict of Interest section of the DA Code of Conduct.

Any candidate representative whose presidential candidate has DA delegates at the Democratic National Convention will be able to attend the convention, for instance as part of the Credentials Committee, and therefore there is no reason for a candidate representative to be a delegate.

Just so you know, the argument in 2016 by the representatives of the Bernie abroad campaign for cutting delegate candidates and keeping the candidate representative's name on the delegate candidate list was that they did not trust the regular DA members running to be delegate candidates to actually vote for Bernie Sanders at the Democratic National Convention. Considering that they knew at the time of the DA Global Convention in Berlin that 70% of DA voters voted for Bernie Sanders, I found the campaign's reasoning to be distrustful of the DPCA as well as of regular DA members.

I can imagine that the Our Revolution abroad members of DA who are currently involved in the Bernie campaign abroad will be in opposition of the current wording, let alone my additional wording. Due to their organizing for Bernie's 2016 campaign, and the fact that the organization has remained intact, they are the only current presidential campaign that is organized abroad, and which has campaign leaders who are active in DA.

Therefore, it is the only current presidential campaign that can exert influence on the DSP, which needs to be finalized in the coming weeks.

I suggest that DA resist any pressure from this one presidential campaign to remove the current wording or resist my suggested additional wording, since they have already shown how they operated in the past, and will likely want to operate in a similar way in 2020.

Remember: I was a Bernie Sanders supporter and EMEA elector in 2016. I put the campaign representative in touch with DA 2-3 months prior to the 2016 Global Primary.

Besides the unethical methods of the Bernie abroad campaign leaders and how it had a detrimental effect on DA's goodwill amongst its members by disappointing well over a hundred DA members around the world who could no longer run as a delegate candidate, one of my main concerns was that such unethical behavior (if the campaign representative got elected as a delegate or alternate) could lead to negative press for Bernie Sanders at the Democratic National Convention, let alone the damage it would do to DA's reputation as a fair Democratic State Party Committee. Despite my saying this numerous times to the campaign representative and to the presidential candidate's brother, they didn't see it as a problem. They certainly didn't have the best interests of DA in mind, quite the opposite.

Therefore, I have concerns about what they are likely planning for 2020. For me, the ends do not justify the means, and certainly not in conjunction with the DSP, the Global Primary, or the Global Convention.

I strongly feel that there should be no opportunity for any campaign to hijack the Delegate Selection Plan process. The process must be democratic, fair, free of conflicts of interest, and provide equal access for all eligible members to run as a delegate candidate.

I've amended the current wording further compared to my suggestion in my previous email [p. 11 l. 5]:

“In order to avoid conflicts of interest or the appearance of conflicts of interest, and in order to abide by the norms of fair elections, any authorized representative for a presidential candidate or preference group who is responsible for the approval of delegate and alternate candidates (as provided in Section VII, below), or anyone who has influence over the approval of delegate or alternate candidates, is not eligible to be a candidate for at-large delegate, alternate, or pledged PLEO delegate for any presidential candidate (including uncommitted).”

That's all for now. Most of my other comments from my previous email still stand.

Thanks for all your hard work!

PUBLIC COMMENT NO. 7 (HELENKA KINNAN)

I wasn't able to read all the way through, but I wanted to send it along in time. I found some typos. (In Italy my mania is called "deformazione professionale", professional bias, but more like professional OCD... Once a proofreader, always a proofreader!)

Some of the errors should be corrected throughout (e.g., comma after the date).

Let me know if there are any questions regarding my scribbles.

PUBLIC COMMENT NO. 8 (JOSEPH SMALLHOOVER)

Substantive Comments

Page 18, lines 43 through 46: The rule should be that NO campaigning of any kind is permitted at any Voting Center or within a designated distance of 50 meters of a Voting Center.

Page 24, lines 24 through 33: Ranked Choice Voting should apply to all rounds of delegate selection, not simply the second and subsequent rounds.

Page 25, line 8: Challenges should be made known prior to the public announcing of the results if possible to allow for the correction of simple errors. Insert a new sub-paragraph (2) reading: “Any member of a PPG who wishes to challenge the results of the PPG should make the challenge known by informing the Permanent Convention Chair prior to the announcing of the results, if possible. If no correction is made with respect to the error or event in question, a formal challenge may be made immediately upon the announcement of the results.” Renumber existing sub-paragraph “(2)” as “(3)”.

Page 37, line 15: Insert a new paragraph spelling out what the “Delegation” consists of: “The Democrats Abroad Delegation to the National Convention shall consist of the eight (8) sitting National Committee Members, the twelve (12) at large National Convention Delegates, the PLEO

National Convention Delegate, any Distinguished Party Leader Delegate and the National Convention Alternates.” Consider including the Standing Committee members as part of the Delegation for the purpose of electing the Delegation Chair.

Page 37, line 23: in light of the previous comment, replace “delegates” with “Delegation”.

PUBLIC COMMENT NO. 9 (DAVID S. MILLER)

I promised Will a list of gender-specific wording in the draft DSP (he/she, etc.).

Besides the two instances I mentioned in my previous email ([page 21 line 43 and 45]), there is also one other instance:

[page 46 line 29].

PUBLIC COMMENT NO. 10 (RICK WICKS)

Suggestions, comments, and questions on DA's 2020 DSP

Rick Wicks

Göteborg, Sweden (and Anchorage, Alaska)

What a massive amount of work! Here's lots of suggestions, some pickier than others, and of course you may not agree with them all, though if you're interested I can explain my reasons for suggestions where they may not be obvious.

Page 1

Line 14: Spell out "is a Party Leader or Elected Official (PLEO)"

Line 15: Why does it say "at least one alternate" but in the summary at the end it seems quite specifically one?

Line 24: Could reference where "distinguished party leader delegates" are defined

Lines 37-38: Add (hereafter "International Chair") after Democrats Abroad. Then delete "of Democrats Abroad" after every future reference to the International Chair. Alternatively, ADD "of Democrats Abroad" in those instances where it's missing. (Usage appears to be random.)

Line 38: Add "both" after "after consultation with"

Line 39: Move "of Democrats Abroad" after "the Affirmative Action Committee"

Lines 42-43: Substitute "in consultation with the" instead of "and" International Counsel

Page 2

Line 11: Add ""Global Presidential Primary"" after "Presidential Preference Vote"

Line 11: Add "or "GPP"" before "shall be" – but why not search and replace with one standard term?

Line 14: Delete (or explain) the quotation marks on "first determining step"

Line 15: Delete (or explain) "committee-run"

Lines 38-39: Delete "and shall thereby become a participant in the Global Primary" as redundant (they're already participating per line 36).

Line 39: Substitute "Each individual" for "A person" – no reason to change construction from line 36.

Line 41: Delete "prior to participating in the Global Primary" – that's what "first" means.

Page 3

Lines 12-13: Delete "committee-run" – and why not say "Global Presidential Primary" (or "GPP")?

Line 28: Delete "by voters" ("of voters" in the next line makes it redundant)

Lines 29-30: Now we have yet another expression: "the Democratic presidential nominating process" – better to standardize on "Global Presidential Primary".

Line 34: Remove capitalization on "Selection" and add "to" before "resist attempts".

Page 4

Lines 8-9: Reverse the order of three clauses so it reads "Subject to recount, the allocation of all National Convention delegates will be locked in at the time of the final global count."

Line 22: Add/change so it says "to ensure their availability for..." OR "to ensure the possibility of..."

Line 39: Change "allow" to "encourage" and delete "who are unable to be a part of the process in person" which doesn't make sense with the following statement about week-long period for in-person voting.

Lines 33-34: Move “Despite its nature as a global organization,” before “Democrats Abroad” so it starts the sentence and the sentence reads more smoothly.

Page 5

Line 25: Insert “of” after “name(s)”

Line 29: Change “use” to “make”.

Line 41: Capitalize “Presidential” and change “present” to “submit”

Line 42: Change “letters” to “letter” (each one only has one letter).

Line 43: Capitalize “Presidential”.

Page 6

Line 9: Note that this line refers to “Apportionment, Allocation, [needscomma] and Selection

Line 12: Note that Section A refers only to Apportionment, but in fact a section on Allocation starts on p. 8 (line 33). Either this heading should include Allocation OR p. 8 line 33 should start a new Section B.

Line 15: Since our party leader might not be an elected official, change “and” to “or”.

Lines 24-25: Note that this refers to “all at-large delegates” – compare with Lines 34-5 below.

Line 30: Substitute “case” for “all situations where”

Lines 34-35: This refers to “twelve at large delegates and one PLEO delegate” – compare to Lines 24-5 above.

Line 38: Delete “To three decimals” as irrelevant in the first step – 15% is clear.

Line 45: Excluding – so apparently those votes, in effect, get reallocated proportionally to those who got more than 15%, rather than, for example, going to “uncommitted”?

Page 7

Lines 5-6: Delete “delegates” after “at-large”

Line 37: Change “participate” to “participated” (past tense)

Page 8

Line 33: This is where “Allocation” starts – it should either be acknowledged in the title of Section A above, or this should be the beginning of Section B

Line 35: This is the first use of the word “eligible”. What does it mean here?

Line 36; Delete comma after “process”

Page 9

Line 19: Change “levels” to “level”

Line 37: Delete “male and female” as redundant. Incidentally, what is the male:female ratio of DA members globally, is it close to 50:50?

Line 43: Delete “a” before “male”

Page 10

Line 6: I don’t understand this sentence as written. I believe it needs a comma after “automatic status”; OR “at all levels that determine presidential preference” could be inserted – between dashes – after “identified”; OR (best, I think) that clause could be deleted as unnecessary! I guess it’s clear elsewhere – even automatic delegates must state their preference as part of making our overall results match the GPP?

Lines 8-17: There are two (mostly) parallel statements here, one concerning regional conventions, the other the global convention. At minimum, the second one (starting on Line 12) should follow the identical form of the first statement wherever possible, deviating only to add further info. However, they could (should) be merged like this:

“To become a candidate for at-large delegate to be elected at a regional convention – or to become a candidate or at-large delegate, pledged PLEO delegate, or alternate to be elected by the Global

Convention – an individual may submit a written application to the International Chair of Democrats Abroad beginning on March 24, 2020; all applications must be received on or before April 17, 2020 (Pacific Daylight Time) or (for regional candidates) 14 days before the appropriate regional convention, whichever is earlier.”

Line 14: Is the word “pledged” essential here (but not for the other categories)?

Line 22: Delete “for” at the end of the line.

Line 30: Add comma after “positions”.

Lines 40-42: Re-order the clauses (with a few minor changes) so (ii) reads “be a member of Democrats Abroad at the time of selection as well as at the time of the National Convention”.

Lines 42-43: Similarly reorder so that (iii) reads “reside temporarily or permanently outside the United States at the time of selection as well as at the time of the National Convention”.

Page 11

Lines 12-22: Merge as above and reorganize so it reads:

“Not later than April 20, 2020 – or, in the case of regional conventions, 10 days before that convention, whichever is earlier – the International Chair of Democrats Abroad shall convey to the presidential candidate, or to that candidate's authorized representative(s), a list of all persons pledged to that presidential candidate who have filed notice of their candidacy for at-large delegates to be elected by the regional conventions – and a similar list of all persons who have filed notice of their candidacy for the remaining at-large delegates, pledged PLEO delegate, and alternate to be elected at the Global Convention.”

Lines 27-29: Add dashes and text and delete thus: “2020 – or, in the case of regional conventions, 6 days before that convention, whichever is earlier – a list...”

Page 12

Line 6: Change “used” to “made”. Question: Since there’s no candidate, who is responsible for making best efforts for uncommitted?

Lines 42-44: Change 0 to X and add at the end “where X is any integer”. Also delete spaces in “downwards”.

Page 13

Lines 5-12: Reverse points (i) which should come last with point (v) which should come first. However, perhaps add an additional point before the last saying “has not and will not vote in another state primary”!

Line 17: Delete “prior to participating in the Primary”.

Lines 21-24: Are people who live in countries WITH a country committee NOT allowed to vote by mail, fax, or email? (It sounds that way here.)

Line 29: Add “comma fax, or email” before ballots?

Line 30: Change “to” to “and must”.

Line 43: Delete “of this kind”.

Page 14

Line 2: Add “state” after “another” (if that’s what is meant).

Lines 10-11: Rewrite so it says: “Those wishing to vote in the Global Primary must complete a ballot.”

Line 13: Change “voter” to “person”.

Line 16: Add “Their” before “full name” and delete “of person voting”.

Line 31: Delete “of voter”

Lines 33-46: Reorder the paragraphs so that the one beginning “Provisional ballots” is (iii), the following one is (iv), and current (iii) shall become (v).

Page 15

Line 17: This whole section 2 should instead be section 3 (and section 3 next page should be section 2 here).

Line 20: Delete “from”

Line 23: Change “the” to “a” and delete comma after “Voting Center Manager”.

Lines 24-26: Won’t the Intl. Chair also want to know whether in fact it’s the Chapter Chair or the Country Chair who is the manager?

Lines 29-31: Is there no provision for adding Voting Centers after December 31?

Line 44: Add “that” before “they remain”.

Page 16

Line 13: Move “by telephone” before “immediately”.

Line 18: Make point (vii) the first point (i) above and renumber the others.

Lines 21-22: Insert commas after “or” and before “then”.

Line 22: Previously Chapter has been before Country Committee, which makes sense since most Voting Centers will be run by chapters. Perhaps standardize that way here too?

Line 29: As noted earlier, this whole section (3) should be section (2).

Lines 31-32: Delete “the”, make “Voting Centers” plus, delete “a” and make “Country Committees” plural. Insert “Chapters or” before “Country Committees”.

Line 34: Insert “at least one (1)” and make “Voting Center” singular.

Lines 38-40: Delete sentence beginning “A Country Committee without”.

Line 43: Here it’s clear that, even in countries with committees, voters can mail, fax, or email to the Intl. Chair.

Line 45: Insert “sufficient” before “Voting Centers”.

Page 17

Lines 2-4: Rewrite so it says “number of its Voting Centers and notify the Intl. Chair of their addresses and open dates.”

Line 6: Delete title and replace with “Additional rules”.

Line 11: Delete “therefore”.

Line 15: Insert “Chapter or” before “Country Committee”.

Line 16: Change “the” to “its”.

Lines 18-21: Delete as included in section c above (lines 1-4), and renumber the following section.

Line 24: Change “unpreventable” to “unavoidable” and add “or dates” after “locations”.

Line 33: Change “said individual’s” to “a”.

Line 38: Add “or area” after “country”

Line 39: Delete “at the designated location(s)”

Line 41: Delete “by” before “no earlier”

Page 18

Line 5: Insert comma and delete “or” after mail, insert comma after fax

Line 6: Change “or otherwise” to “and vice versa”.

Line 7: Insert “valid” after “first” and delete “provided said ballot is not spoiled”.

Line 10: Insert “or by the International Chair” before “prior”.

Line 40: Change “votes” to plural, insert “comma, fax, comma” before “or”, and change “mailed” to “sent”.

Line 44: Delete (or explain) quote marks on “campaigning” and delete “any” before “Voting Centers”.

Line 46: Rewrite so it says “shall post and enforce these uniform rules”.

Page 19

Line 5: What does this mean? What's it talking about?

Line 7: Change "see" to "assure"

Lines 19-25: Move "at such time and place as" (at the end of line 22) – to the end of the sentence – to the end of line 19.

Line 33: Delete "single" or replace with the word "combined"

Line 39: Insert "(in addition to the Regional Vice Chair) after "Electors"

Line 46: Add "including elected at-large executive committee members" after "officers", and delete "of each country" (to the end of the clause on the next page).

Page 20

Line 1: Delete except for "and" at the end.

Line 3-5: Delete everything except "Chapter chairs: and"

Lines 7-9: Delete as now included in section (a).

Line 11: Delete – the RVC can't be a member of every CC delegation, or? This info is now included in Line 39 on the previous page.

Line 17: Substitute "above" for "below"?

Lines 31-32: Rewrite to say "Any regional convention elector may renounce their role by written notice..." – but why would they do so, after getting themselves elected? And what effect would it have, for quorum? For replacement?

Page 21

Line 2: Delete plural so it says "or any rule or practice"

Line 14: Split this section so a new section starts with "Representatives of the presidential candidates..." which has nothing to do with the first sentence (line 13). Or see comments below – why not just delete this entire part (Lines 14-21)?

Lines 14-17: Has PPG Chair been defined (i.e., a process for selection)? But in any case, what difference does this make? Why is it here? Anybody can inform anybody of anything, but so what?

Line 19: Substitute "it" for "such unacceptability".

Lines 23-25: Delete the clause "As a process...under-represented groups," and capitalize "A candidate..."

Line 28: Delete "the" after "divided among".

Line 33: Delete "a" before "male or female"

Line 46: I guess there's a good reason why TWO attachments are necessary (and they can't be combined)?

Page 22

Lines 17-18: Start a new paragraph with the sentence "The Permanent Chair shall..."

Lines 25-26: What an example of "representatives of identifiable geographically-defined populations" (and what's an example of someone who's not)?

Page 23

Line 3: Rewrite so it says "strength calculated as the participation..."

Line 8: Rewrite so it says "= B/A x 100"

Lines 12-13: What does "by the vote of the delegates from that Country Committee only" mean? What would be the alternative? Could that clause be deleted?

Lines 13-16: If there are no electors then it has no vote. If there are no electors present then they must be temporarily absent (or?), in which case Lines 15-17 can be deleted.

Lines 10-17: Could this whole paragraph be deleted?

Line 34: Delete "and" and insert a comma instead.

Line 40: Delete “then”

Lines 41-42: Make “purpose” singular.

Page 24

Line 16: Substitute “their” for “her/his”.

Line 30: Change “the” (comparison) to “a”

Line 35: Change “will” to “shall” in conformity with usage throughout (though it’s a bit random). It might be useful to search on both “will” and “shall” and see if each usage conforms to some rule of consistency. I suggest that “shall” should indicate what people should do, and “will” should state consequences, what will happen (see next two points).

Line 37: Change “shall” to “will”.

Line 40: Change “shall” to “will”.

Page 25

Line 6: Insert “elections” after the first “PPG” and change “each” to “the”.

Line 14: Delete capitalization on “Elections”, “Conducted”, and “Actions”.

Line 18: Change “proceed with the election” to “elect”.

Lines 22-23: Could “and shall respect equal division” be deleted as unnecessarily mysterious, or could the word “gender” be inserted so it says “equal gender division” if that’s what is intended?

Page 26

Line 15: Change “said member’s” to “their”.

Lines 25-26: Change “division” to singular.

Line 31: Insert “global” before “Credentials”.

Page 27

Lines 4-5: Delete “Credentials and Rules” and delete capitalization on “committee” in accordance with previous usage (Lines 34 and 45).

Line 5: What does “paragraph (d) above” refer to?

Line 7: Insert “National Convention” before “Delegates”.

Line 15: Delete either “certified” or “eligible to vote” as they must mean the same thing.

Line 15: Insert comma then “whether” before “present”.

Line 33: Change “purpose” to singular.

Line 39: Change “PLEO delegate” to singular.

Line 40: Clarify if this is the International or the PPG “Chair” being referred to.

Page 28

Line 13: Change “DPCA” to “Democrats Abroad”.

Line 22: Insert “National Convention” before “Delegates”

Lines 28-29: Insert period after “Abroad” and delete the rest of the sentence (see 3a below).

Lines 32-39: Insert comma after “(if any)”, insert “including”, then delete the next lines (33-34) up to “former...” and delete five more instances of “all” in the following description. Question: IF we had such a person, how would that affect our 8 automatic delegates?

Lines 42-44: Why would someone do that? If they did, would we lose a vote as we would lose an automatic delegate?

Page 29

Line 1: Delete “and distinguished party leader” because we’ve just defined them as part of “automatic”.

Line 6: Again delete as on Line 1.

Line 14: Change “preferences” to plural and delete apostrophe in “Democrats”.

Lines 15-16: Either capitalize “Delegate” (at the end of Line 15) or delete capitalization of “Selection Process”. If the former, the phrase should be capitalized anywhere it occurs (but why?).

Line 18: Delete “delegate” before “men” and after “and”.

Line 21: Delete “including those who identify as male or female” as obvious – or change it to mean whatever was intended? But is anything necessary to say?

Line 24: Insert “National Convention” after “(PLEO)” and change “Delegate” to singular.

Line 30: Change “slot” to singular and say “shall be allocated to the presidential candidate with the strongest preference in the Global Primary”.

Lines 36-37: What does “priority” imply here? It’s an elected position among all candidates, or? I suggest: “The following shall be eligible for the pledged PLEO delegate position: Officers...”

Page 30

Lines 2-4: I suggest: “A separate alternate is not selected for the PLEO category but the at-large alternate also serves this purpose.”

Lines 10-12: Delete “have” and insert comma “not later than April 17, 2020,” (moved from the next line), delete “pledged” before “PLEO” and delete comma after “Convention”.

Line 17: Delete “he or she”

Line 24: Insert hyphen between “binary” and “gender”.

Lines 26-29: Delete from “unless” to the end as redundant (it says, essentially, unless you respond, doesn’t it?).

Lines 31-37: Move from the end to the beginning the clause starting “Within three (3) days... (changing “returning” to “receiving”)”, then comma and continue from the beginning.

Line 33: “including uncommitted status” – how could that be accomplished? By whom?

Line 41: Change “delegate” to singular and perhaps use abbreviation to PLEO since (in the singular) it’s “or” not “and” – that is, probably NOT an elected official.

Line 44: Insert “National Convention” before “Delegates”

Page 31

Line 5: Insert “certified” before “delegate” (see point iii below).

Line 10: Substitute “gender” for “sex”.

Line 11: Change “he/she replaces” to “replaced”

Line 12: Substitute “region” for “political subdivision” if that’s what is meant.

Line 18: Change “the opposite sex” to “a different gender”.

Line 21: Insert “if possible” after “shall” (before comma).

Line 23: Substitute “a different gender” for “the opposite sex”.

Line 40: Change “he/she replaces” to “replaced” and change “sex” to “gender”.

Line 41: Substitute “region” for “political subdivision” if that’s what is meant.

Line 44: Reverse order so it says “temporary and permanent”

Page 32

Line 1: Strike the first line and say “A delegate needing a temporary replacement may...”

Lines 2-3: Delete “to replace the delegate temporarily”

Lines 14-21: Say “Any alternate who permanently replaces a delegate, and replacement of a vacant alternate position, shall be certified in writing to the Secretary of the DNC by the delegation Chair within three (3) days after the replacement is selected. [In other words, merge points i and ii, and renumber the rest accordingly]

Line 25: Here it refers to “72 hours” whereas line 21 referred to “three days” – better to standardize expressions.

Line 39: Change “sex” to “gender” and “political subdivision” to “region”

Line 42: This appears to be section 2 not section 4.

Line 46: Say “In case of the death of such a delegate,”

Page 33

Line 6: Change “delegate” to singular.

Line 8: Insert “A” before “distinguished” and change “delegate” to singular.

Line 13: This is not a “circumstance” under point 2 (was 4) above, but should be point 3 instead of point d.

Line 35: Insert “a” and change “delegate” to singular, then delete “an”

Lines 38-39: Insert “following” before “procedures” and delete “indicated below”.

Page 34

Line 5: Delete “the occurrence of”

Line 11: Insert “Permanent” before “Standing”

Line 15: Delete “the” at the end of the line.

Line 18: Insert “over” after “presided”

Line 32: Change “the” to “DA’s”, make “preferences” plural, and delete “of all candidates”

Lines 38-39: What’s “the applicable percentage”? “within the delegation” (not in DA’s primary?) Does this mean to say: “The percentage of each PPG within DA’s delegation will be multiplied...”?

Lines 40-45: Consider this example: Two candidates each have 50%. Multiplied by 3, they’re both above 1.455 so entitled to two positions each – but there are only 3 positions! Another example: Five candidates each get 20%. Multiplied by 3, they each above 0.455 so entitled to one position (five in total) but there are only 3! I guess this is covered in the next point.

Page 35

Line 4: Change “figure of representation” to “result of multiplication”

Lines 7-8: Change “figure of representation” to “result of multiplication”

Lines 28-29: Who should submit for uncommitted status?

Lines 38-39: Delete “respective male and female” and delete “the” before “men”

Page 36

Lines 5: Delete “male and female”,

Line 6: Change “among the” to “between”

Line 7: Delete “between men and women”

Lines 5-12: Merge point iv into point iii by adding this: “Gender non-binary committee members shall not be counted in this calculation.”

Lines 19-21: Delete “to the greatest extent possible” and move “Subject to the requirement to achieve equal division” to the beginning.

Line 28: Change “binary female candidate” to “woman”

Line 30: Change “binary male” to “man”

Lines 32-33: Insert “(including non-binary)” after “gender” and delete the examples in parentheses.

Line 36: Change “must” to “could”

Line 37: Change “male committee member” to “man” and insert a comma after division.

Lines 38-39: Change “a” to “another” and delete from “in order” to the end.

Page 37

Line 1: Change “substitutions” to “replacements”

Line 2: Change “Substitutions” to “Replacements”

Line 5: Change “substitute member” to “replacement”

Line 22: Delete “the” before “Democrats”

Line 44: Delete “affirmative action” before “guidelines”

Page 38

Line 12: Delete quotation marks before and after “six basic elements”, delete the comma and delete “as” before “listed below”.

Line 15: Delete “a” before “full”

Line 19: Change “should” to “shall”

Line 20: Delete “the” and change “Democratic Party” to “Democrats Abroad” and change “sex” to “gender”

Line 25: Make “oath” singular

Line 26: Change “should” to “shall”

Line 28: Delete quote marks on “status” but add “as defined above”.

Line 30: Change “on” to “at”

Line 31: Change “should” to “shall”

Line 32: Change “must” to “shall”

Line 35: Delete “on all levels, shall” and change “support” to “supports”

Line 35: Insert “voter” before “registration” if that’s what is meant (otherwise, explain).

Line 36: Delete quote marks on “status”.

Line 38: Change “should” to “shall” and delete “a” before “manner”

Line 40: Change “on” to “at”

Line 41: Change “should” to “shall” and reverse order to say “current and prospective”

Lines 43-44: Delete “of the Democratic Party organization”

Line 44: After “As part of this” insert from next page (Lines 1-3) “to ensure that all... (to the end, adding the word “that”)” and change “should” to “will” at the end of Line 44

Lines 45-46: Delete “continue to”

Page 39

Line 1: Insert “who” after “or” and insert period after “delegate” (moving the rest of the sentence above as indicated earlier).

Line 5: Change “should” to “will” and insert comma after “publicize”

Line 7: Change the first “of” to “required for”, change “officer” to singular, change “and” to “or”, change “representative” to singular.

Line 8: Change “should” to “shall”

Line 15: Delete quote marks on “status” (but insert “as defined above” or “as defined in section xx”)?

Line 21: Delete “delegate” before “women” (twice!), change “and” to “as well as between” But there’s only one alternate, so why mention them at all here?

Lines 24-25: This entire sentence can be deleted as redundant and irrelevant.

Lines 25-27: Just say: “Gender non-binary delegates shall not be counted for purpose of equal division.”

Line 35: Change “choice” to “preference”

Line 42: Insert comma after “alternate”

Line 45: Insert comma after “intent”

Page 40

Line 40: Insert “of” after “States”

Line 42: Insert period after “end” and delete “that”

Line 43: Capitalize “The” before delegates, change “alternate” to singular

Line 45: Insert comma after “Convention”, delete “that”, change “alternate” to singular

Page 41

Lines 2-4: Why is this statement here? I would delete it or change it so it says something more meaningful, like DA will do our best to help them?

Line 18: Delete quote marks on “status” (and perhaps explain as above)

Line 21: Change “should be” to “are” (or “shall be”)

Line 22: Delete “of the Democratic Party”, change “sex” to “gender”

Lines 24-25: Delete the parenthetical explanation as it was already defined on p. 38. In fact line 22 above could just say “regardless of status”.

Line 28: Delete “Democratic” and delete the comma after “affairs”

Line 33: Insert “living abroad” after “Democrats”

Line 42: Change “shall be” to “is”

Lines 42-43: Move “in the delegate selection process and in party organizations at all levels” to the end of the sentence, after a comma and followed by a period.

Line 44: Insert comma after “groups”, change “as indicated by” to “in accordance with”

Page 42

Line 7: Make “American” singular

Line 36: Insert “the” after “Action Plan and”

Line 37: Insert “for” before “making”

Line 41: Insert “the” before “Outreach” and change “this” to “that” – or is THIS SECTION the plan? In that case it’s title – Line 8 on the previous page – is “Affirmative Action, Outreach, and Inclusion Plan” – In that case, change “the” to “this” before Affirmative on Line 40 and delete “section of this Plan” here.

Page 43

Lines 3: Insert “volunteers and” before “staff.”

Line 4: Delete “and volunteers”

Line 7: Capitalize “Affirmative Action Plan”

Line 8: Delete “the” before “distribution”

Line 17: Delete “established as”

Lines 22-23: Does this mean we don’t know the demographic composition of DA, but we do know for “key states”, so we’ll use those figures?

Line 23: Delete “Furthermore”

Line 24: Delete “or higher” – I start to feel discriminated against!

Line 45: Change “education” to “educational”

Page 44

Line 5: Change “Democratic voters” to “Democrats living abroad”

Line 23: Make “alternate” singular

Please also note this point about DSP Section III.B.4.b which says “The International Chair may make ballots available by electronic means no earlier than February 18, 2020 and no later than March 10, 2020.”

As written this is ambiguous. I think what is meant is

The International Chair SHALL make ballots available by electronic means DURING THE PERIOD February 18 TO March 10, 2020.

PUBLIC COMMENT NO. 11 (JULIAN BECKER)

I write to submit my comments in relation to the draft Delegate Selection Plan (DSP) for 2020. I would like to thank those who worked on the draft DSP and I would like to express some concerns that I have about the wording and implementation of provisions based on the experience of volunteering in the administration of the 2016 Global Primary in London.

I have concern about the requirement in part B(1)(g)(ii)(7) of the draft DSP for US voting address:

1. Many newly involved voters will not understand the concept of “voting residence” or “voting residence” and will not understand that this is their last residence in the US.
2. Strictly speaking, US citizens who were born abroad to US citizen parents and have never had a residence in the US might not be permitted in their parents’ last state of residence to vote. For this reason, we might need to have a provision in the DSP deeming such people’s voting residence to be their US citizens parent's last residence in the US.
3. Many people will now know their last address in the US if they lived there some time ago.
4. In general, the more you ask on a form, the more likely people are to make mistakes. For this reason, why not ask people to specify only their state of last residence in the US (or, where relevant, their US citizen parent’s last residence in the US)?

I also note that the ballot design in 2016 had the following features that led to confusion by some voters:

1. The need for those voting at voting centres to specify their country of residence on the form led to some confusion. Some people thought that this was a question about their citizenship or whether their UK immigration status gave them a permanent right to reside. For this reason, anything on a ballot cast at a voting centre should have the country committee pre-printed.
2. The request for an “overseas address” led some voters to believe that this was asking about their residence outside the UK. For this reason, any reference to residence outside the US should specifically say “address outside the United States” so that meaning is not dependent on perspective.
3. As noted above, there was some confusion or doubt in 2016 about the field for residence in the US. This should be worded to clarify that this is the voter’s “last state of residence in the United States” or, where the US citizen has never lived in the US, state where the voter's US citizen parent's last state of residence in the US.

I should be most grateful if this could be taken into account in the finalisation of the DSP, the issuance of guidelines, and the design of ballots.

PUBLIC COMMENT NO. 12 (ADA SHEN)
2019 DSP Amendment Suggestions

1. *My suggestion is to amend the DSP text to make clear that day and date registration will be allowed online for those who cannot access a Voting Center. My understanding from the March 23 DSP WebEx session is that this is the intention of the 2019 drafters; however I feel that the text is currently ambiguous on this point.*

Section ~~1~~ *I*, Art. C, 1a:

A person who wishes to participate in the Global Primary and is not a member of Democrats Abroad must first join Democrats Abroad ~~by completing an online membership form~~ prior to participating in the Global Primary which may be done at a Democrats Abroad Voting Center (defined below) on **or before** the date of the Global Primary **or by completing an online membership form**, and by completing the Declaration appearing on the ballot.

Section ~~1~~ *I*, Art. C, 5c

Same-day voter registration and party-affiliation changes are possible at voting ~~locations~~ **centers and online**, noting that Americans living abroad may also need to change party affiliation with their voting state

(Note: because registration with DA does NOT affect state party voting affiliation, I don't see how joining DA changes party-affiliation except with us. It needs to be communicated to the voter to change party affiliation with their state such as via an FPCA form or otherwise contacting their voting state elections officials.)

Section ~~1~~ *I*, Art. C, 5h

The mechanisms of this Delegate Selection Plan are designed expressly to allow voters who are unable to be a part of the process in person to participate, with features such as **same-day voter registration available online or in-person at Voting Centers** a week-long period for in-person voting, and early and simultaneous voting by mail, fax, and email.

Section III, Article B, 4 – Voting by ~~Mail/Fax~~ **Phone, Mail, Fax or Email**

(If we are allowing for the possibility of Online voting then Online needs to be added to this section.)

2. *Suggestion to make clear that DA can request contributions, just not make them mandatory.*

Section ~~1~~ *I*, Art. B, 1b:

At no stage of Democrats Abroad's delegate selection process shall any person be required, directly or indirectly, to pay a cost or fee to Democrats Abroad as a condition for participating. Voluntary contributions to the party may be made, **and voluntary contributions may be requested by the party,** but under no circumstances shall a contribution be mandatory for participation.

3. *Suggestion to emphasize that GPP participants may not participate or vote in the party primary process of any other state.*

Section ~~1~~ *I*, Art. B, 1c:

No person shall participate or vote in the nominating process for the Democratic presidential candidate who also participates in the nominating process of any other delegation to the 2020 Democratic National Convention, *or any other state party primary process,* or of any other political party for the corresponding presidential elections.

PUBLIC COMMENT NO. 13 (RICK WICKS)

Following the discussion on Saturday, I suggest that we ask voters to rank their choices. Those who get more than 15% will be counted as such. But those who get less than 15% will be reallocated to the voter's next choice. And the process will be repeated until all votes have been cast for someone over 15%, so no voter loses their vote. Of course if someone is confident that their candidate will get more than 15% -- or if they're willing to risk it (or don't care) -- they wouldn't have to rank their choices.

Separately, I was confused (earlier) in suggested to delete TENTATIVE on next year's meeting date. I was thinking about THIS year's meeting, which must be date-certain.

PUBLIC COMMENT NO. 14 (SALLI SWARTZ)

Comments on the draft Delegate Selection Plan

Comments on the form:

1. The following words should be capitalized throughout the document in a consistent manner:
 - Region
 - Regional
 - Presidential and Vice Presidential
 - Affirmative Action Plan.
2. The use of hyphens throughout the document is inconsistent and sometimes grammatically incorrect. See for example page 6, lines 19, 32; page 24, line 25, page 4, line 1, page 5, line 31, page 6, line 19 and line 32 etc.
3. Be careful about setting deadlines by one date. DA spans wide time zones and a date in one time zone could be the day before or after the date cited in the Plan. Use of the words “no later than midnight on xxxx in Eastern Standard Time would be a better reference.
4. Page 2, lines 2-3 if approved by the RBC, should become effective”.
5. Page 2, line 14: why is the term “first determining step” in quotes?
6. Page 2, line 26: replace “latest” with “most recent”.
7. Page 3, line 5: add “or voting” after the word “participation”.
8. Page 4, line 32: replace the words “have been” with “shall be”.
9. Page 4, line 34: delete the words “despite its nature as a global organization”. Why despite and what does this paraphrase add?
10. Page 4: replace “.” with “;”. Alternatively, on page 5, lines 11 and 16 replace “;” with “.” at the end of the paragraphs.
11. Page 12, line 34: add the words “or before” after the word “on”.
12. Page 14, line 46: “it shall be **considered to be** invalid”.
13. Page 15, line 3 should read: “all subsequent ballots shall be **considered**” to be invalid.
14. Page 15, line 5: Is a “spoiled ballot” and invalid ballot? If so, why use two different terms which is confusing. If the meaning is not the same, then the term “spoiled” should be defined.
15. Page 15, line 33: replace the words “make certain” with “assure”.
16. Page 15, line 35: add the words “in a timely manner” after the word “tabulated”.
17. Page 15, line 36: add the words “without delay” after the word “Abroad”.
18. Page 15, line 41: add the word “however” before the word “those”.

Comments on the substance

1. Pages 10, lines 16 and 17, page 17, lines 42 and 45 and page 18, lines 27 and 28: The time periods are too short for submitting candidatures, availability of ballots and voting by email. I see from the comments which were sent around that these periods were deemed acceptable based on data from the 2016 election cycle, but I disagree. First, one election cycle is not sufficient. Second, I don’t see why we need such short periods. Why can’t candidates get their candidacies in before March 24, 2020? Why can’t ballots be available before February 18, 2020 (which makes no sense, by the way if the cut off date for submission of candidacies is April 17, 2020). I am sure there must be some logic in using these dates but I would submit that more time be given for people to declare candidacies and voting by email. Not everyone is available to make decisions about running and then voting in periods of 7 days (see 7 day period for voting by fax or mail for example). Furthermore, dates don’t make sense with a time zone indication. I would urge that the time zone indications be uniform (why New Zealand and then Pacific time elsewhere). Also I suggest that one time zone be used throughout the document and

that it be Eastern Standard Time. See comment n° 3 above under Section “Comments on the Form”.

2. Page 19, line 5: Are you referring to the case where a single ballot **by the same voter with the same choice**” is submitted multiple times or the case where a single ballot **by the same voter** is submitted **with different choices**?
3. Page 21, line 10: what are “identical qualifying requirements”?
4. Page 24, line 42: unless you vote in Maine, or are a political junkie, many people will not know to what “Instant Runoff Voting as described by “Maine Question 5, 2016” refers. I suggest you add a link or a clear reference here.
5. Page 30, line 2: there is confusion throughout the Plan on the number of alternates. How many alternates do we have? See also, page 48, line 21. There is confusion throughout the document concerning the singular and plural use of the word “alternate(s)”.
6. Page 37, lines 1-7: it is not clear whether the reference to Call VII, B. 4 refers to the timing or the substance of the substitution issue. This section is not clear because it appears to refer to two separate issues: substitution of standing committee members and the process for such substitution. Cannot alternates replace a member who is unable to participate in the standing committee meetings for reasons other than for resignation or death?
7. Page 43, lines 14-25: I am concerned by the “determination” made that the “estimated” demographic composition/percentages of DA members of the African American, Hispanics, Native Americans and Asian and Pacific Islanders (lines 14-18) and the LGBTQ+ community, people with disabilities (lines 20-25) is the same as that of the Democratic Party in key States. On what is this determination based since the collection of such data is illegal in many countries in Europe and possibly elsewhere? Unless you specify that such determination is based on self-reporting, the current wording could cause DA to have legal issues with certain regulating authorities in the EU and France (for example).

PUBLIC COMMENT NO. 15 (ERIC LEE)

I am writing this in response to the following clause in the DSP:

"Any authorized representative for a presidential candidate or preference 3 group who is responsible for the approval of delegate and alternate candidates (as provided in Section VII, below) is not eligible to be a candidate for at-large delegate, alternate, or pledged PLEO delegate for any presidential candidate (including uncommitted). Authorized representatives may be electors at the regional convention or Global Convention if otherwise qualified."

I propose that this clause be deleted for the following reasons.

This is a new clause and was not in effect in 2016 when I was the authorized representative of the Bernie Sanders campaign to Democrats Abroad. At the Global Convention of DA held that year in Berlin, there were only two presidential candidates, and only one of those had chosen to include its representative (me) as a candidate to be a delegate to the Democratic National Convention in Philadelphia.

I have reason to believe that this new clause has been included in the DSP for 2020 as a result of what happened last time, and my role in it, and therefore I consider myself to be personally involved.

As [I wrote at the time](#), "That shortlist [which we submitted] met the requirement for gender balance, and 60% of the names on it met the affirmative action criteria as well. It included young and old people, Democrats Abroad veterans and people who have never been active in the organization. Our idea was to ensure that some of the latter group, newcomers who the existing leaders of Democrats Abroad would not know, would go as delegates to Philadelphia. Their chances were increased because of the shortlist."

The shortlist, which was nearly twice as long as DA required (34 names instead of 18) was compiled by myself together with a staff member at the Bernie Sanders campaign headquarters in Vermont. We went through the more than 200 names of people who had proposed themselves to be delegates, knowing that only nine of us would get to go. We based our decisions on information we had, including who had signed up to the campaign, or donated money, or volunteered. And we wrote to everyone of those 200+ telling them what we had done and why. And not a single person complained in response to our message.

Specifically, the campaign official in Vermont and I discussed whether or not I could be included among the 34 names being proposed to the DA Global Convention. The campaign agreed that my name should be on offer, as I had played a central role in the campaign inside DA, and in fact had launched it.

It goes without saying that of course DA had the right to reject my name, which they did. (And which we expected would happen.)

The reason why my name was included and why we presented a short-list rather than allowing the DA Global Convention to choose from the more than 200 people who had self-nominated was the same: we were an insurgent campaign with almost no resources comprised of people who had never worked together before, many of whom had never been involved in DA.

The other candidate had the support of many leaders of DA who had worked for her before, as well as in 2016.

Because we were a small team, we couldn't easily separate out the various functions in a way that a larger group that had worked together for years might do.

Had I not been the representative of the Sanders campaign to DA, and had someone else had that position, I would have supported their right to be on our shortlist -- and I would have supported them, because they were clearly the people who the campaign felt confident in.

We took the decision not to allow DA to choose from all 200+ self-nominated candidates because we did not trust DA to choose the most active and committed Sanders supporters. (We also did not expect the DA global leadership to know, as we did, who those people were.) We did not trust DA for a good reason: As Senator Sanders has pointed out repeatedly, the American political system is a "rigged system" and the Democratic Party was rigged as well.

Our worst fears were confirmed in 2016 as we learned how hard the DNC had worked against our campaign, leading to the resignation of its chair -- and eventually to the reform process that has finally begun in the party.

We even got a small taste of the rigged system ourselves **when our opponents challenged our right to all 9 delegates** which we had won by winning about 70% of the votes in the global primary. We had to fight hard to ensure that our voters -- the tens of thousands who supported Sanders in the global primary -- got represented at all in Philadelphia. Fortunately, we won that fight. Nevertheless, a bad taste remained and remains.

At the Berlin convention and afterwards, we felt that some people in DA were **acting in bad faith, smearing our campaign, trying to divide our ranks, and even to steal one of our delegates.**

I think that our experience was typical of insurgent campaigns that take on the system, and that this scenario may happen again and again.

This year, with many candidates in the running, others will be in the position that we were in 2016. They will have few resources, a small team, and little knowledge of who their candidate's supporters are around the world. If those campaigns decide to include their official representatives to DA as candidates for delegate to the DNC, I say: why not?

If the Democratic Party is to remain united and to win in 2020, it must repudiate past actions that led to Senator Sanders and others speaking of a "rigged system" It must be transparent and fair -- and that means allowing campaigns, especially insurgent campaigns, **to choose their own delegates.**

To interfere in this way, to say that the people in the leadership of your campaign cannot be candidates, is a gross violation of democratic norms.

I urge you to drop this clause from the DSP.

PUBLIC COMMENT NO. 17 (SUSAN ALKSNIS)

please see below and attached my public comment regarding former Officers of the DPCA in the PLEO priority ranking.

Former Officers of DPCA priority ranking for PLEO

Submitted by Sue Alksnis

Page 20, lines 37-41, Section F3

In the priority ranking of those eligible for DA's single PLEO delegate position, move 'former Officers of the DPCA' to appear after "sitting ...Chapter ...Executive Committee members" and before "former DNC members."

Revised F3 (lines 36-42)

Individuals shall be eligible for the pledged PLEO delegate position according to the following priority: Officers ~~and former~~ Officers of the DPCA; sitting Country Committee Chairs and Vice Chairs; other sitting Country Committee officers and Executive Committee members; sitting Chapter Chairs, Chapter Vice-Chairs, and Chapter Executive Committee members; **and former Officers of the DPCA**; former DNC members; former Country Committee officers; and other former Democratic elected officials and party leaders. (*Rule 9.B.1 & Reg. 4.15.*)

Problems with placing former Officers of the DPCA second place in the priority ranking:

1. Favors those with prior – possibly no longer active – involvement with DA, over those recently elected by membership and currently involved.
2. Elevates the chances of having a PLEO who was elected decades ago, reflecting a DA membership from that time, and not connected to today's DA membership.
3. Provides an incentive for people to serve a single term as DPCA Officer in order to secure priority ranking for PLEO delegate selection.
4. There is a very long list of former Officers of the DPCA, meaning that if just one runs for PLEO, all other currently involved DA leaders besides sitting Officers of DPCA, are automatically not selected as PLEO.
5. Some Country Chairs currently represent memberships larger than the global membership of DA when some former Officers of DPCA were in office.
6. Some chapter Chairs of DA currently represent memberships larger than the global membership of DA when some former Officers of DPCA were serving.
7. In conflict with affirmative action targets, since former DPCA Officers will skew older and whiter.
8. In conflict with the recent party reforms passed by the DNC August 2018, which seek to eliminate any perception of biased processes in the Presidential primary. Elevating the priority ranking of former DPCA officers is anti-democratic, can be perceived as an effort to hold onto past power, and generally not part of the 'new DNC'.

Benefits of elevating priority for sitting Chairs, Vice Chairs and Executive Committee members in DA

1. Recently elected Officers, Chairs, Vice Chairs, and Executive Committee members at all levels better represent the current views and preferences of current DA members, who recently elected them.

2. Increases chance that PLEO will be chosen from those who are currently involved and contributing to DA
3. More likely to support affirmative action targets, particularly for youth and people of color.
4. More likely to have a PLEO who can more accurately represent the views of current DA membership
5. Likely to be more aware of current DA programs, processes, platform, and membership views.
6. Recently elected Represents the views of current members by prioritizing leaders recently elected.
7. Firmly in line with the DNC party reforms passed August 2018

PUBLIC COMMENT NO. 18 (SUSAN ALKSNIS)

Please include the following in the public comments to the draft Delegate Selection Plan:

Add paper membership in DA option for inclusion and locations with limited internet

submitted by Sue Alksnis, Canada

Re: Page 2, C1a, Lines 39-44

Add an option for persons who are not members of DA to join on a paper membership form if online membership option is not possible

Revised C.1.a would read:

A person who wishes to participate in the Global Primary and is not a member of Democrats Abroad must first join Democrats Abroad by completing an online membership form **(or when not possible, a paper membership form)** prior to participating in the Global Primary, which may be done at a Democrats Abroad Voting Center (defined below) on the date of the Global Primary, and by completing the Declaration appearing on the ballot. (*Rules 2.A. & 2.C. & Reg. 4.3.*)

While online membership is preferred, there are places in the world where getting a reliable internet connection will limit the ability of non-member voters and the voting centre volunteers to provide a way to join DA online.

In order to be inclusive and ensure that the lack of local internet service does not prevent potential voters from participating in the Global Primary, please add that it is possible for non member of DA to join on a paper form when joining online is not possible.

PUBLIC COMMENT NO. 19 (SUSAN ALKSNIS)

please include in the published public comments my submission below and attached.

Change all references to “Physical disability (or disabilities)” to read “disability (or disabilities)’ in order to be more inclusive of persons living with all types of disability.

Throughout the DSP change all instances of ‘physical disability’ to ‘disability. This occurs particularly in reference to affirmative action targets.

Not all disabilities are physical. The term ‘physical disability’ excludes persons living with other types of disability that are not strictly ‘physical’. All persons living with disabilities, of all kinds, should be encouraged to participate in the process and be recognized in the affirmative action targets.

Relevant location in the draft DSP:

P 38. Line 22

P 42 24

P 43 line 34

p 47 line 33 (‘physical’ accommodations – there may be nonphysical accommodations needed, like audio visual, a quiet space, etc)

PUBLIC COMMENT NO. 20 (ORLANDO VIDAL)

I support Susan's recommendation that the word physical be removed from the phrase "physical disabilities" in our DSP.

PUBLIC COMMENT NO. 22 (ERIC JACKSON)

I agree with Susan. So much of the world does not have the same sorts of communications infrastructures as in the USA, Canada and Europe.

And certainly for in-person voting locations joining on paper should be proper.

What if we in Panama, for example, vote in the same place as 2016 -- which we shouldn't because it's not barrier-free -- but on that day Carlos Slim's company bestows upon us an Internet outage, as it often gives us? Or if some sovereign citizen decides that it's a really cool trick to jam all of our communications at our voting place with a strong distorting signal. (If you don't think that there are people like that in Panama who pull the sorts of abuses that they do in the States, think again.) Or if May 5th's elections give Panama another Martinelista regime and they fire up their Pegasus machine again. Or if any number of Latin American governments decide that they don't like Americans, or they need to show obeisance to Trump. Should we then tell Democrats in Panama, or in Haiti, or in Nicaragua or Venezuela or Brazil or Honduras or Ecuador, that they're too underdeveloped to vote?

We should also bear in mind our oldest Democrats, and those of us with disabilities. Those are the folks most likely to be unconnected on the Internet. I am pretty sure that our senior voter in 2008, who was 98 years old at the time she showed up at the Balboa Elks Club to vote, did not have an Internet connection. We shouldn't have physical barriers to voting, and we shouldn't have technological ones, either.

PUBLIC COMMENT NO. 23 (GEORGE SPIEGELMAN)

Two things that have been pointed out to me that I agree with that should be changed:

First, in the text relating to PLEO delegate position, I think there is a typographical error in that "former officers of the DPCA" are placed above sitting country committee chairs. This surely can't be right. Former officers might well not be interested.

Second it would be good if DA Global Primary would allow non members to join DA on paper if online joining is not possible. There are many places where electronic access is minimal.

These two issues were part of submissions by Sue Alksnis from Canada.

PUBLIC COMMENT NO. 24 (PENNY SCHANTZ)

I am writing to support the submission by Eric Lee from London, UK that the the following clause in the DSP be deleted:

"Any authorized representative for a presidential candidate or preference 3 group who is responsible for the approval of delegate and alternate candidates (as provided in Section VII, below) is not eligible to be a candidate for at-large delegate, alternate, or pledged PLEO delegate for any presidential candidate (including uncommitted). Authorized representatives may be electors at the regional convention or Global Convention if otherwise qualified."

If the Democratic Party is to remain united and win in 2020, it must repudiate past actions that led to Senator Sanders and others speaking of a "rigged system." It must be transparent and fair -- which means allowing campaigns, especially insurgent campaigns, to choose their own delegates. To interfere as proposed, to say that the people in the leadership of your campaign cannot be candidates, is a gross violation of democratic norms.

With so many candidates in the running for 2020, many campaigns will have few resources, a small team, and little knowledge of who their candidate's supporters are around the world. If those campaigns decide to include their official representatives to DA as candidates for delegate to the DNC, they should not be prohibited from doing so.

I urge you to drop this clause from the DSP.

PUBLIC COMMENT NO. 25 (SUSAN ALKSNIS)

please include this submission (below and attached) in the public comments on the Draft DSP:

Authorized representatives of a presidential candidates should be able to run for delegate.

Re: Page 11 lines 3-8 Section III. 7.F

The relevant section in the current draft DSP reads:

Any authorized representative for a presidential candidate or preference group who is responsible for the approval of delegate and alternate candidates (as provided in Section VII, below) is not eligible to be a candidate for at-large delegate, alternate, or pledged PLEO delegate for any presidential candidate (including uncommitted).

I propose deleting the entire quoted section or deleting the word 'not' which would change this section to read:

Any authorized representative for a presidential candidate or preference group who is responsible for the approval of delegate and alternate candidates (as provided in Section VII, below) is [delete not] eligible to be a candidate for at-large delegate, alternate, or pledged PLEO delegate for any presidential candidate (including uncommitted). ...

Rationale:

The Democratic Party is working hard to dispel perceptions of 'rigging' the primary.

1. This provision would disadvantage campaigns that have a harder time finding volunteers, particularly campaigns that have broad appeal to Americans outside of DA, whereas candidates more firmly within the party will find it easier to find campaign volunteers and leaders within DA.
2. There are also several candidates for 2020 with limited name recognition who will have equally difficult time securing campaign volunteers even among DA membership.
3. This provision seems to put DA's finger on the scale for candidates who are better known at the start of the campaign, since these candidates' will have many potential volunteers ready to step forward as liaison, and willing to forego the chance to be a delegate. Whereas candidates who are less well known, or without a large following within DA may have a harder time finding a liaison willing to forego running for delegate.
4. Affirmative action impact. This provision may also have the unintended consequence of forcing volunteers who are in groups within the affirmative action targets to decline the kind of leadership and campaign experience that will help them grow in the party: specifically, serving as liaison to a campaign.
5. Makes DA harder for campaigns to work with: Presumably, the campaigns will be designating their own liaisons. This provision adds a layer of complexity that may lead campaigns to consider DA difficult to work with. Campaigns will need to ensure that the person they designate as liaison is not interested in running for delegate. Why complicate it? Why ask campaigns to complicate it? Particularly this year when DA is asking for the first time for a fee to access our ballot.
6. Could increase back door influence on approval of delegate and alternate candidates: Another problem with this provision is that someone who is NOT an authorized campaign representative, but DOES participate in the approval of delegate and alternate candidates CAN stand as delegate. This provision could make the process of approving delegate and alternate candidate lists LESS transparent, rather than MORE transparent.

I strongly urge you to delete or amend this provision.

PUBLIC COMMENT NO. 26 (KELSEY MCLENDON)

Re: Page 11 lines 3-8 Section III. 7.F

I urge you to delete the following provision:

Any authorized representative for a presidential candidate or preference group who is responsible for the approval of delegate and alternate candidates (as provided in Section VII, below) is not eligible to be a candidate for at-large delegate, alternate, or pledged PLEO delegate for any presidential candidate (including uncommitted).

This provision is anti-democratic, will make it harder for non-front runner campaigns to secure campaign liaisons, could be perceived as biased against certain candidates, may make campaigns perceive DA as 'difficult to work with', discourages transparency (since those who unofficially influence the approval of delegate candidate and alternate lists CAN still run for delegate) and may discourage members of affirmative action target groups from either being a liaison or running for delegate (since the provision makes these roles mutually exclusive).

Please include the following in the public comments to the draft Delegate Selection Plan:

Add paper membership in DA option for inclusion and locations with limited internet

Re: Page 2, C1a, Lines 39-44

Add an option for persons who are not members of DA to join on a paper membership form if online membership option is not possible

Revised C.1.a would read:

A person who wishes to participate in the Global Primary and is not a member of Democrats Abroad must first join Democrats Abroad by completing an online membership form (or when not possible, a paper membership form) prior to participating in the Global Primary, which may be done at a Democrats Abroad Voting Center (defined below) on the date of the Global Primary, and by completing the Declaration appearing on the ballot. (*Rules 2.A. & 2.C. & Reg. 4.3.*)

While online membership is preferred, there are places in the world where getting a reliable internet connection will limit the ability of non-member voters and the voting centre volunteers to provide a way to join DA online.

In order to be inclusive and ensure that the lack of local internet service does not prevent potential voters from participating in the Global Primary, please add that it is possible for non member of DA to join on a paper form when joining online is not possible.

PUBLIC COMMENT NO. 30 (BRUCE MURRAY)

Former Officers of DPCA priority ranking for PLEO

Page 20, lines 37-41, Section F3

Proposed revision: In the priority ranking of those eligible for DA's single PLEO delegate position, move 'former Officers of the DPCA' to appear after "sitting ...ChapterExecutive Committee members" and before "former DNC members."

Revised F3 (lines 36-42)

Individuals shall be eligible for the pledged PLEO delegate position according to the following priority: Officers ~~and former~~ of the DPCA; sitting Country Committee Chairs and Vice Chairs; other sitting Country Committee officers and Executive Committee members; sitting Chapter Chairs, Chapter Vice-Chairs, and Chapter Executive Committee members; **and former Officers of the DPCA**; former DNC members; former Country Committee officers; and other former Democratic elected officials and party leaders. (*Rule 9.B.1 & Reg. 4.15.*)

Problems with placing former Officers of the DPCA second in the priority ranking:

1. Favors those with prior – possibly no longer active – involvement with DA, over those recently elected by membership and currently involved.
2. Elevates the chances of having a PLEO who was elected decades ago, reflecting a DA membership from that time, and not connected to today's DA membership.
3. Provides an incentive for people to serve a single term as DPCA Officer in order to secure priority ranking for PLEO delegate selection.
4. Some Country Chairs currently represent memberships larger than the global membership of DA when some former Officers of DPCA were in office.
5. Some chapter Chairs of DA currently represent memberships larger than the global membership of DA when some former Officers of DPCA were serving.
6. In conflict with the recent party reforms passed by the DNC August 2018, which seek to eliminate any perception of biased processes in the Presidential primary. Elevating the priority ranking of former DPCA officers is anti-democratic, can be perceived as an effort to hold onto past power, and generally not part of the 'new DNC'.

Benefits of elevating priority for sitting Chairs, Vice Chairs and Executive Committee members in DA

1. Recently elected Officers, Chairs, Vice Chairs, and Executive Committee members at all levels better represent the current views and preferences of current DA members, who recently elected them.
2. Increases chance that PLEO will be chosen from those who are currently involved and contributing to DA
3. More likely to support affirmative action targets, particularly for youth and people of color.
4. More likely to have a PLEO who can more accurately represent the views of current DA membership
5. Recently elected Represents the views of current members by prioritizing leaders recently elected.
6. Firmly in line with the DNC party reforms passed August 2018

Please include the following in the public comments to the draft Delegate Selection Plan:

Add paper DA membership application option to increase inclusivity, especially at locations with limited internet and during the Global Presidential Primary

Re: Page 2, C1a, Lines 39-44

Add an option for persons who are not DA members to join, using a a paper application form, if the online option is not possible/practical.

Revised C.1.a would read:

A person who wishes to participate in the Global Primary and is not a member of Democrats Abroad must first join Democrats Abroad by completing an online membership form **(or when not possible, a paper membership form)** prior to participating in the Global Primary, which may be done at a Democrats Abroad Voting Center (defined below) on the date of the Global Primary, and by completing the Declaration appearing on the ballot. (*Rules 2.A. & 2.C. & Reg. 4.3.*)

While online membership is preferred, there are places in the world where getting a reliable internet connection will limit the ability of non-member voters and the voting center volunteers to provide a way to join DA online.

This could be especially challenging at voting centers during the Global Presidential Primary.

To be inclusive and ensure that the lack of local internet service does not prevent potential voters from participating in the Global Primary, please add the possibilty for non members of DA to join, using a paper form when joining online is not possible.

PUBLIC COMMENT NO. 31 (TRE' SHAWN L. GRIFFIN-NOORDERMEER)

One of my biggest concerns is enforcing that the goals are met continuously and new people are selected. (i.e. youth). And that DA voting members don't ignore some candidates (possibly due to not knowing them) in favor of someone who they know or has been to the convention before.

PUBLIC COMMENT NO. 32 (KATIE SOLON)

Katie Solon comments/suggestions on 2020 DSP:

Page 1, line 16 and/or line 18:

Perhaps mention that DA's one Page position may be divided among more individuals. Here and/or later in the document. We had such good luck/results in 2016 with 4 people serving as page, each one for one of four days of the Convention. And with usually obtaining a convention pass for the other Pages on the days they weren't serving. (3 of the 4 2016 Pages are now active DA leaders.) Other state parties do this as well.

Page 2, line 36

This says DA will clarify on the GPP participant declaration form that a voter may vote in either the DA GPP or in their voting state's primary or caucus, but not in both. Might you want to spell that out here as well in c. (Page 3, line 2) or d. (Page 3, line 8) or add a new section e.? Recall there was some confusion (and disappointment) about this in 2016, when DA members voted in home state caucus and then wanted to participate in DA's global convention.

Page 3, line 11

Might you mention that DA will be helpful to our members who chose to participate in home state caucuses if they so choose (to do that rather than the GPP)? In 2016, Iowa and Nevada were the first to include remote participation by video conference for their overseas voters. We helped to advertise, while still diplomatically recommending (and giving the various reasons) that overseas voters vote in the GPP.

Page 3, line 41, c.

Mention also that GPP voters will need to request their general election ballot from their state (not only possibly change party affiliation).

Page 5, line 4

Re: \$2500 ballot acceptance fee for presidential candidates: how does this compare with fees charged by other states? When we discussed during the 2016 cycle, it seemed \$1500-2000 was the range we were considering. Would the extra \$500-1000 make a difference for candidates? Yes to a fee—which we will well use to run and advertise the GPP and later GOTV. However, we don't want a amount too high to preclude some bona fide candidates from applying to be on our ballot... we want as give as many choices as possible to our voters at the GPP.

Page 6, 7, 8

Bravo. Glad to see it more clearly spelled out that DA will apportion delegates only at the global level. (Page 7, line 41. Page 8, line 45.)

Page 8, line 9

Bravo. To clarify that any delegate must also be resident outside the US at time of Dem Convention.

Page 10, line 30

Agree with this new rule to preclude those responsible for approving/culling any list of delegate-candidates from running for delegate. In 2016, we tried very hard privately and unsuccessfully to

convince both major campaigns to let all their delegate-candidates run. I understand DA plans to publicize this portion of the process in 2020 and hope public pressure would help campaigns to approve lists as inclusive as possible.

Page 11, line 30

Suggest you also publicize the letter from International Chair to DNC RBC re: pres. candidates' best efforts re: our affirmative action and inclusion goals. And here in DSP spell out that those letter/efforts will be made public.

Page 13, line 16

Bravo, to be more clear on same day registration, and equal right to voters regardless of voting method.

Page 17, lines 9 and 10

This deadline might not be long enough for mail ballots, if the voter wishes to both receive the blank and return the voted ballot by mail. There were 1000+ mail voters (I think?) in 2016. Likely there will be less in 2020, but let's make sure those who choose this method have enough time.

Page 19, line 2 and beyond

Holding a local caucus at the CC level to chose that CC's electors to the regional and global convention has some distinct advantages: it results in an inclusive delegation that includes all CC leaders who want to go plus very keen members who might not then be serving as CC excom; it brings the CC together in a way that the primary does not; it garners great press. It is not that hard to do as a part of the CC's annual general meeting—and draws a higher than average number to that AGM in a critical election year.

Suggest you leave this in as an option. And in lead up to 2020, explain its advantages and how it can simply be done.

(Austria has done this in the past (2012?, 2008 if an option then?) and sent large diverse delegations to conventions. Some of whom, from this experience, went on to become CC leaders.)

Page 20, line 49

Add the underlined words for clarity:

“...division of Country Committee voting weights in a PPG depending on the number of Country Committee electors who support the pres. candidate....”

And/or add in the GPP rules.

Page 22, line 8

I find this confusing. Why would each CC cast its full vote in every PPG? It seems it would be more fair/simpler to distribute the voting weights to CC electors (based on the GPP) and then they would carry that weight into whichever PPG they attended.

I recall (correctly or not?) that is the way we did it in 2008, the year we switched from a caucus (to establish presidential preference) to a primary.

Each CC will be establishing its own presidential preference. It seems its electors would then participate in the PPGs of those candidates...and shouldn't be also electing delegates for candidates their own members didn't vote for.

Or...if a CC votes 80% for one pres. candidate, assign 80% of their weighted vote to that PPG and whomever of their electors chooses to attend that PPG, they split that vote.

Somehow the process should allow for those who voted for a particular candidate (or the electors who are representing CC voters who only voted for particular candidates) should be selecting the delegates pledged to that/those candidate. Why allow CCs to throw all their votes in every PPG, even in one where their own members might not have cast many votes? ???

Page 22, line 18 and Page 24, lines 10 and 15

Won't DA have a Platform Committee that will have worked 3-4 months before the global convention on drafting our 2020 Platform? Are these Platform Committee members to be elected at the regional convention meant to supplement this group? Certainly, we are not intending to draft an entire Platform at the global convention? Or...are we planning to not draft a Platform this year, but rather to send only individual planks to the Dem Convention? Not clear.

(In 2016, we had more than 40+ DA members, experts in their fields, working pro bono to draft our Platform in the 3-4 months leading up to the global convention. We posted the Platform on the DA website for 1 month before the global convention and took comments online. The Platform draft and online comments were considered by the body at the global convention, continuing on WebEx in the following weeks and an excellent (!) comprehensive Platform was the result.

Page 25, line 27

When would the international chair name the 6 members of the Platform Committee? What is their role? (See above comment.)

Page 26, line 30

Re: international chair perhaps instructing a PPG to wait to elect until gender has been determined in another PPG in order to achieve equal division.

Should it also be spelled out (somewhere) that in any PPG (regional or global) if there are at least 2 delegates to be elected, then that PPG must achieve equal division. (Recalling at the EMEA regional convention in 2008 how one PPG tried hurriedly -- and unsuccessfully -- to elect 2 females and thereby force the other PPG to balance by electing more males.)

Page 28, line 9

Again, please make these letters (on pres. candidates' affirmative action best efforts) public. And state DA will do this.

Page 30, line 12

Re: temporarily replacing a delegate: since DA is expected to have only have 1 alternate for each PPG, it will not be possible to designate that the alternate be of same sex or political subdivision?

Page 33, line 4, b.

A word is missing? Percentage.

Page 33, line 36

Oh well. I guess pres. candidates do get to choose the individual who will be their rep on a Standing Committee. Still it would be good to insist on at least 2 candidates so that DA would have a choice. Some painful 2008 memories on this one.

Page 34, line 10

Good change. To elect the order of selecting the Standing Committee elections. How will it be determined which pres. candidate gets which Standing Committee? (In 2016, the top winner was given first choice, 2nd place given the next choice, and the top winner, who had enough GPP votes to get two of the three the Standing Committee slots got the 3rd – leftover - committee.)

Page 35, line 45

Again re: limiting (or not) our one Page position to one person. It worked very well in 2016 to split this job among 4 young people. They all helped on all days and 3 are now in DA leadership roles.

Page 41, line 44.

Good! Will be great to have DSP guide by Oct. Thanks in advance.

Page 47, line 39 and line 43

Use GPP rather than GP, consistently throughout doc.

On the Form of Notification of Candidacy (for delegates)

*Change “address” to “address abroad”

*Indicate if all fields are required or not

On the attachment of the DA Charter and when mentioned how votes are calculated for each CC:

* Include mention that 1 person 1 vote was passed in 2018 and will go into effect in 2019, as this was a sticking point in the defense of our last DSP before the DNC RBC in July/August 2015.

PUBLIC COMMENT NO. 33 (EILEEN WEINBERG)

I would like to support the change that has already been submitted by Sue Alksnis, regarding the order of ranking for PLEO.

comment by Sue Alksnis as follows:

Former Officers of DPCA priority ranking for PLEO
Submitted by Sue Alksnis

Page 20, lines 37-41, Section F3

In the priority ranking of those eligible for DA's single PLEO delegate position, move 'former Officers of the DPCA' to appear after "sitting ...ChapterExecutive Committee members" and before "former DNC members."

Revised F3 (lines 36-42)

Individuals shall be eligible for the pledged PLEO delegate position according to the following priority: Officers ~~and former~~ Officers of the DPCA; sitting Country Committee Chairs and Vice Chairs; other sitting Country Committee officers and Executive Committee members; sitting Chapter Chairs, Chapter Vice-Chairs, and Chapter Executive Committee members; **and former Officers of the DPCA**; former DNC members; former Country Committee officers; and other former Democratic elected officials and party leaders. (*Rule 9.B.1 & Reg. 4.15.*)

Problems with placing former Officers of the DPCA second place in the priority ranking:

1. Favors those with prior – possibly no longer active – involvement with DA, over those recently elected by membership and currently involved.
2. Elevates the chances of having a PLEO who was elected decades ago, reflecting a DA membership from that time, and not connected to today's DA membership.
3. Provides an incentive for people to serve a single term as DPCA Officer in order to secure priority ranking for PLEO delegate selection.
4. There is a very long list of former Officers of the DPCA, meaning that if just one runs for PLEO, all other currently involved DA leaders besides sitting Officers of DPCA, are automatically not selected as PLEO.
5. Some Country Chairs currently represent memberships larger than the global membership of DA when some former Officers of DPCA were in office.
6. Some chapter Chairs of DA currently represent memberships larger than the global membership of DA when some former Officers of DPCA were serving.
7. In conflict with affirmative action targets, since former DPCA Officers will skew older and whiter.
8. In conflict with the recent party reforms passed by the DNC August 2018, which seek to eliminate any perception of biased processes in the Presidential primary. Elevating the priority ranking of former DPCA officers is anti-democratic, can be perceived as an effort to hold onto past power, and generally not part of the 'new DNC'.

3. More likely to support affirmative action targets, particularly for youth and people of color.
4. More likely to have a PLEO who can more accurately represent the views of current DA membership
5. Likely to be more aware of current DA programs, processes, platform, and membership views.
6. Recently elected Represents the views of current members by prioritizing leaders recently elected.
7. Firmly in line with the DNC party reforms passed August 2018

PUBLIC COMMENT NO. 34 (EILEEN WEINBERG)

I would like to support the clarification requested by Sue Alksnis, regarding paper membership alternatives in the event a Polling Station may not have working WiFi, or for those who request a ballot by mail who many not be current DA members.

Submission by Eileen Weinberg

clarification originally by Sue Alksnis as follows:

Please include the following in the public comments to the draft Delegate Selection Plan:

Add paper membership in DA option for inclusion and locations with limited internet

submitted by Sue Alksnis, Canada

Re: Page 2, C1a, Lines 39-44

Add an option for persons who are not members of DA to join on a paper membership form if online membership option is not possible

Revised C.1.a would read:

A person who wishes to participate in the Global Primary and is not a member of Democrats Abroad must first join Democrats Abroad by completing an online membership form **(or when not possible, a paper membership form)** prior to participating in the Global Primary, which may be done at a Democrats Abroad Voting Center (defined below) on the date of the Global Primary, and by completing the Declaration appearing on the ballot. *(Rules 2.A. & 2.C. & Reg. 4.3.)*

PUBLIC COMMENT NO. 35 (DAVID WENK)

I have some comments on the readability and organization of the 2020 Delegate Selection Plan, and a comment about its content.

I see that a lot of work has gone into producing this document. There are clearly many facets to consider in its drafting.

From a readability point of view, it would be nice to have a comprehensive table of contents at the start of the DSP. Further, it would be helpful if each section and subsection in the main body of the DSP had a heading which could be referred to in the table of contents. As it stands, only top-level sections are labelled. As an exercise, I started outlining the document, introducing labels for the subsections. Please see attached two sample files, one showing the first page of a detailed table of contents (dsp2020-outline-p1.pdf), and the other showing the first page of a suggested layout for the main document body, with some improvements to formatting (dsp2020-body-p1.pdf).

I believe that if we strive to make the document more organized and more readable, the import and ramifications of each part will be made clearer to ordinary readers like myself.

Generally, however, I think it is well put together and clearly is comprehensive in its scope.

My main wish regarding the content of the document is that by adopting this DSP we are preparing Democrats Abroad for a fair and representative delegate selection process, one that does not incorporate bias toward a particular candidate.

Thank you to everyone who contributed time to putting this document together.

PUBLIC COMMENT NO. 36 (MERRILL OATES)

2020 DSP Comment Submission

Submitted by Merrill Oates, Chair DA-Hungary

The following comments are submitted as part of the Democrats Abroad 2020 Delegate Selection Plan (DSP) document review period of March/April 2019.

I submit these as a member of Democrats Abroad, as the current Chair of DA-Hungary, as a former Regional Vice-Chair for the EMEA Region, and as the former Permanent PPG Regional Chair and Global Chair for the Bernie Sanders groups at the 2016 DA Global Convention in Berlin.

First, my commendations to the team that has prepared this edition of our DSP for their work and effort in compiling a document that is both comprehensive and which adds a number of new innovations that make the document more responsive to the needs and values of our organization. I particularly commend the efforts to incrementally incorporate Ranked Choice Voting processes that give voters more choice when casting votes for National Convention Delegates.

Following are a few areas where I would encourage further review and possible modifications for the final version of the DSP.

Candidate Fees and Signature Requirements

It is very good that we are now requiring a fee for a Presidential Candidate to be included on our Global Presidential Primary ballot.

– But, is this \$2,500 fee comparable and in-line with the fees charged by other states? We should compare with other state fees to ensure that our fee level does not potentially limit participation from some viable candidates.

Requiring DA member “signatures” as part of a supporting Ballot Access Petition is a good way to ensure that Candidates directly reach out to DA members.

– We should, however, allow for a flexible and on-line “signature” collection process. Verified members providing an on-line petition signature, should be sufficient.

– Can we require that signatures come from 4 or more Country Committees, across at least 2 different DA Regions? (Similar to our DPCA Quorum requirements.)

Online Voting for Presidential Preference Primary

With the technology that we now have available from the building of VoteFromAbroad.org, we should leverage this to create a dedicated a one-stop, on-line "join and vote" GPP voting website.

– This would allow both new and current DA members to easily vote and both submit and receive a confirming e-mail (that can be reduced to paper) containing their PPG vote.

– Such a website with a streamlined sign-up, voting, and member verification process would lead to a dramatic boost to our membership numbers, and significantly increase the exposure of Democrats Abroad around the world.

Allow Electors from Regional Convention to Vote in Global Convention

We allow “All elected national officers and DPCA voting representatives” and “Elected chapter chairs” to be electors who are able to vote in the Regional Conventions. Since these electors will

have made the effort to already attend the Regional part of the Convention, **can we not also allow them to vote as electors in the Global Convention?**

– If we do not allow for more electors from each CC in the Global Convention, and we restrict voting to only DPCA members, and a CC does not have any voting representatives (they only have a Chair and Vice-Chair), and if there are more than 2 Presidential Candidates; then **a CC would be prevented from casting votes in the PPGs for either a 3rd or 4th Presidential Candidate.**

PUBLIC COMMENT NO. 37 (SUSAN VAILLANT)

I have two comments regarding the Delegate Selection Plan.

First, the document is 58 closely typed pages long ! This is far too long and overly technocratic for your rank and file member to reach a sensible conclusion about its fairness. This is why voters give up on politics. There surely must be a more straightforward way to reach a fair decision about delegate selection.

Secondly, I do not agree that "former Delegates" should be a qualifying category, comparable to other members who are currently active and holding responsible positions (CCs, et al), and therefore suggest that "former Delegates" be removed as a category from the Plan, unless I can be convinced otherwise that this privileged position is justified and in the interests of Democrats Abroad and the Democratic Party.

Sorry, I have to correct what I wrote, I meant "former office holders" - not "former delegates" .

PUBLIC COMMENTS

The foregoing thirty-seven (37) public comments (pages 84 to 156) include all of the public comments received between March 8, 2019 and April 8, 2019 that were relevant to the draft Delegate Selection Plan, which was posted to the Democratic Party Committee Abroad's website throughout the 30-day public comment period.

DEMOCRATS ABROAD CHAIR STATEMENT OUTLINING
RELIABLE DATA AND SOURCE(S) FOR NUMERICAL GOALS

I, Julia Bryan, International Chair of Democrats Abroad, note that Democrats Abroad established its 2020 affirmative-action representation goals using the following process:

- We agreed to use the Democrats Abroad 2016 Affirmative Action goals as our minimum reference point. These goals were noted in the Democrats Abroad 2016 Delegate Selection Plan and adopted by the DPCA body in 2015. They were successfully achieved during the Democrats Abroad 2016 Regional Caucuses and Global Convention.
- We next turned to key Democrats Abroad states to review their Democratic voter turnout data. These states are Massachusetts, New York, California, Pennsylvania, and Florida. These states represent a broad cross section of our membership, as identified in the Democrats Abroad membership database.
- We extrapolated the Democratic voter demographic data from the 2016 Delegate Selection Plans for Massachusetts, New York, California, Pennsylvania, and Florida, and found an average percentage point for each diversity set. We also reviewed other data regarding the make up of Democratic voters within the US population to inform our decision. These sources include:
 - U.S. Census Bureau, Decennial Results, 2010;
 - U.S. Census Bureau, American Community Survey, 2013;
 - U.S. Census Bureau, Survey of Eligible Voters, 2012;
 - Estimates of Democratic-supporter demographics as included in the 2016 Delegate Selection Plans for Massachusetts, New York, California, Pennsylvania, and Florida.
- Evidence submitted in 2015 by Stonewall Democrats indicated that the proportion of LGBT voters in the Democratic electorate living abroad was

approximately 11%. The evidence includes the Gallup poll of June 1 to Dec. 30, 2012 with estimates of the LGBTQ population by state. The National Election Poll conducted by Edison Research in 2012 found 76% of LGBT voted for Barack Obama in the 2012 General Election. The Affirmative Action committee found no evidence that would change the estimate proportion of LGBT voters in the Democratic electorate living abroad.

- In response to public comments, the Affirmative Action Committee revisited its calculation of the percentage of {if the AA committee does revisit}

Step-by-Step Vote Calculation Method

Step 1:

Assumption of this example is 50 CCs and 100,000 total members.

Determine the percentage of votes to allocate to each CC. The percentage is based on the CCs membership count compared to the total membership count for all CCs (countries membership count divided by the total membership count for all CCs.)

For example, if the total CC membership count was 100,000 - then the allocated votes for a CC with:

300 members: 3% (300/100,000)

500 members: 5% (500/100,000)

1000 members: 1% (1000/100,000)

1500 members: 1.5% (1500/100,000)

2000 members: 2% (2000/100,000)

2500 members: 2.5% (2500/100,000)

3000 members: 3% (3000/100,000)

Step 2:

Multiply the number of CCs by 4 CCs on the basis of one (1) vote each; allocate each CC one (1) Base Vote. In the example, this would be 1 for each 50 CCs for a total of 50 votes.

Step 3:

75% of the Initial Product shall be allocated among the CCs proportionally by multiplying with respect to each CC, the Initial Product by the CC's percentage of the total Democrats Abroad membership. Divide the remaining votes of the Initial Product (being 75% of the Initial Product) among the CCs on a provisional allocation basis in proportion to each CC's membership. Determine the number of votes based on the country percentages. Multiply the percent votes by the number of 75% of the Initial Product. Divide the remaining votes (being 75% of the Initial Product) among the CCs on a provisional allocation basis in proportion to each CC's membership.

For example, based on the examples above:

300 members: .45 (.3% x 150)

500 members: .75 (.5% x 150)

1000 members: 1.5 (1% x 150)

1500 members: 2.25 (1.5% x 150)

2000 members: 3 (2%x150)

2500 members: 3.75 (2.5% x 150)

3000 members: 4.5 (3% x 150)

In the example, this would be 150 votes (3 x 50 CCs).

Step 4:

Calculate the Allocable Votes from Step 3 by rounding; any fractional values equal to or greater than 0.455 up to the nearest whole number:

300 members: .45 (*rounding leads to votes = 0*).

500 members: .75 (*rounding leads to vote = 1*)

1000 members: 1.5 (*rounding leads to votes = 2*)

1500 members: 2.25 (*rounding leads to votes = 2*)

2000 members: 3 (*rounding leads to votes = 3*)

2500 members: 3.75 (*rounding leads to votes = 4*)

3000 members: 4.5 (*rounding leads to votes = 5*)

Step 5:

Calculate each CC's votes that shall be equal to its Base Vote plus its Allocable Vote(s).

For this example, the Total CC Votes are as follows:

300 members: 1+0=1

500members: 1+1=2

1000 members: 1 + 2 = 3

1500 members: 3+0=3

2000 members: 3+1=4

2500 members: 4+1=5

3000 members: 5+1=6

Step 6:

Establish the number of Voting Representatives required to be elected by each CC in accordance with Sections 3.6(e) and (f). In accordance with Section 3.6(e) and Section 3.6(f), only CCs with greater than eight (8) votes will be allowed to have Voting Representatives.

In this example, the four largest CCs shall have Voting Representatives. Any excess over 8 votes (Chair & Vice-Chair) shall give right to a Voting Representative for up to FOUR excess votes (the maximum number of votes one person may hold) and additional Voting Representatives on the same basis if the Country Committees has more than four excess votes.
