

Congress: Do Your Job!

Investigate the Trump ties to Russia.

So far:

**Michael Flynn lied to the FBI
Jeff Sessions lied under oath**

But that's the tip of the iceberg.

**We American citizens expect our
U.S. Government to serve us,
not Putin's Russia!**

Congress: Do Your Job!

Disclosure of presidential tax filings and sources of income is important to ensure we Americans have confidence that our leaders work for us!

The U.S. Constitution's Art. 1, Sec. 10 Emoluments Clause is important to our country's officials staying free from the influence of foreign powers.

WE DON'T WANT TRUMPCARE

The Affordable Care Act was a big step forwards for America, but the new proposals are all about helping the richest at the expense of working-class Americans.

Protect American workers

**Why the hell is
Steve Bannon
on the National
Security Council?**

**Or anywhere near
the White House?**
