Promote the Vote

Why do we fundraise?

Every donation equates to a vote. It's as simple as that.

DACN and the greater organization keep the fires burning so that voters everywhere - no matter how they vote - know they have the right to vote. Donate today to enable us to hold future voter booths and voter assistance. We need to fundraise to be able to host online meetings, create content, and send content. Democrats Abroad member donations fully fund Vote From Abroad - both online and on-the-ground efforts.

DPCA Leadership Contact List – DA Collaboration

- ❖ Post-Election conversations > “I didn’t know how to reach you!”
- ❖ We need to know Who-is-Who > And how to reach them – We have lost that
 - A Sec in Kenya, should be able to reach a Sec in Finland
 - A Treasurer in Ecuador should be able to reach a Treasurer in Mexico or Canada
 - A Chair in Portugal should certainly be able to call the Chair in Greece or Sweden
- ❖ There is no GDPR issue or limitation!
- ❖ Our DPO has confirmed:
“As Elected Officers, it is part of their Job Description, to provide their contact details to fellow leaders”

HOPE

Because you acted, Democrats gained two governorships and created a margin of victory in Arizona and Nevada. Incumbents won tight races in Michigan, Kansas, New York, and Wisconsin. Seats were flipped in New Mexico, Pennsylvania and Washington. Voters from California, Kansas, Kentucky, Michigan, Montana, and Vermont defended the right to choose. Mary Peltola became the first Native American woman elected to Congress. Georgia turned out in record numbers to vote blue - all because of YOU!

CHANGE

ADVOCACY WORKS

Members from around the world, including Democrats Abroad China, hammered away on New Jersey voting rights legislation.

After 4 years, NJ A3929 passed and was signed into law! Voters in New Jersey can again register as "return uncertain" and receive a FULL BALLOT.

Every American citizen, regardless of where they live, should have the right to vote in every state and local election.

Join your state team on WeChat and within the greater organization to strengthen voting rights and other important Democratic initiatives today!
