It is from numberless diverse acts of courage and belief that human history is shaped. Each time a man stands up for an ideal, or acts to improve the lot of others, or strikes out against injustice, he sends forth a tiny ripple of hope, and crossing each other from a million different centers of energy and daring those ripples build a current which can sweep down the mightiest walls of oppression and resistance.

– Robert F. Kennedy, 1966

2022 VISION

There are many aspects to GOTV that have proven successful. DACN leaders need to rise to the occasion and carve out time to ensure we see as many voters return ballots as possible!

Newsletters & E-blasts

Our Communications Team creates content members want to read! Every Caucus, Committee and Board member should contribute a quote, idea, picture, or action through the year.

Phone Calls

Proven to be the most successful method of converting interested parties into voters, we must make calls. Join our August call banks!

Post Cards

How exciting is it to open your mailbox and receive mail that isn't junk or a bill?! DACN will handcraft that feeling of joy with post card parties in each city/online.

Social Media

DACN content has been lifting us off the page and into regular conversation. Help ensure it reaches voters here, as well as harness speakers and major political influencers. Follow and share!

Advertising

Event advertising will expand our outreach. Help find more platforms to spread our event messaging!
