I am registered to vote in Texas, which is where I grew up. I have lived in 5 different countries, with the most recent 3 years in China. I love reading and cooking, and I recently adopted a beagle-mix puppy named Ollie.

ALBERT WALKER

Florida voter. I have lived in Shanghai for 4 years. I have family members in 5 countries. I haven't had a haircut in over 8 years. My interests are in Neuroscience, Philosophy and the Visual Arts. I decided to join DACN to put actions behind my words. If I can do something to keep America's democracy in-tact as a citizen, then I will, so here I am.

PROPOSED BYLAW AMENDMENT

ARTICLE III: 3.7 HARASSMENT CLAUSE

DACN recognizes the right of all DA members to volunteer in an environment free of harassment and to attend events free of harassment. DACN will consider behavior to be harassment when such conduct has the purpose or effect of unreasonably creating an intimidating, hostile, or offensive environment for DA members or volunteers, or interfering with a volunteer's performance. Harassment can include behavior or communications (verbal or non-verbal) and can include statements or actions that are offensive or objectionable to the recipient, cause the recipient humiliation, or interfere with the recipient's ability to participate in an event or activity. Sexual harassment occurs where the perpetrator engages in unwanted conduct of a sexual nature and that conduct has the purpose or effect referred to above. DACN Board members will be held responsible for protection of the entity. Any reports, consequences, and situations regarding harassment and sexual harassment will be dealt with seriously.

A hand-drawn red heart is the central focus, rendered with a textured, crayon-like appearance. It sits on a white rectangular piece of paper. To the right of the heart, a single red marker with a light blue body lies horizontally. In the upper left corner, a white box contains a row of various colored markers, including shades of blue, pink, orange, and green. The entire scene is set on a light-colored wooden surface with visible grain patterns.
