## 2022 VISION

There are many aspects to GOTV that have proven successful. DACN leaders need to rise to the occasion and carve out time to ensure we see as many voters return ballots as possible!

### **Newsletters & E-blasts**

Our Communications Team creates content members want to read! Every Caucus, Committee and Board member should contribute a quote, idea, picture, or action through the year.

### **Phone Calls**

Proven to be the most successful method of converting interested parties into voters, we must make calls, and train others to do so.

### **Post Cards**

How exciting is it to open your mailbox and receive mail that isn't junk or a bill?! DACN will handcraft that feeling of joy with post card parties in each city/online.

### **Social Media**

DACN content has been lifting us off the page and into regular conversation. Help ensure it reaches voters here, as well as harness speakers and major political influencers. Follow and share!

### **Advertising**

Event advertising will expand our outreach. Help find more platforms to spread our event messaging!
