Privacy: We respect your privacy, and to help protect it, none of your data is available to anyone other than the people who administer the groups you belong to, such as the Membership Director of DA-China. Democrats Abroad never sells or shares our members' information, not even with other Democratic Party organizations. Democrats Abroad may also solicit contributions, but any contributions are completely voluntary — there are no dues. For more on privacy, see [http://www.democratsabroad.org/privacy\\_statement](http://www.democratsabroad.org/privacy_statement)
