Subject: Some questions about voting

Dear Sir/Madam,

I'm a volunteer helping US citizens living overseas to vote in US elections. We want to make sure that votefromabroad.org provides accurate and up-to-date voting information. Would you please answer the following questions:

1. If a US citizen is residing abroad and they intend to return, are they allowed to vote in state elections?
2. If a US citizen is residing abroad and their return is uncertain, are they allowed to vote in state elections?
3. If a US citizen has never resided in the United States, are they eligible to vote in state elections?
4. If a US citizen has never resided in the United States, are they eligible to vote in federal elections?

Thank you for taking the time to answer our questions. We appreciate you helping Americans to execute one of their most important rights!

Take care,

Janet Weiler
