Hello Heidi,

I've attached a fact sheet for you regarding Federal Post Card Application, which can also be used as a Voter Registration mechanism.

If an applicant's desire is to both, register to vote and apply for an absentee ballot, they can do so through email or fax. This will allow me to issue them a ballot. However, the original form, must be received in this office on February 20th by 4:30 p.m.

If it is not and then I receive their returned ballot, their returned ballot will not be submitted for voting.

I hope this answers your questions. I do want to remind you that this special election is for residents who reside in the 120th State Representative District.

Best regards,

Susan
