

Maryland

Good morning, Ms. Augustine. Your email was forwarded to me for response.

1. Yes

2. No

3 & 4. No. A citizen who has never physically resided in Maryland is not allowed to register in Maryland. FVAP.ORG has a complete listing of states that do allow registration based on certain circumstances.

Please let me know if I can be of further assistance.

Happy Holidays!

Dear Sir/Madam,

I am not sure if you received my first e-mail back in October. I'm a volunteer helping US citizens, living overseas, vote in US elections. We want to make sure that votefromabroad.org provides accurate and up-to-date voting information. Would you please answer the following questions.

1. If a U.S. citizen is residing abroad and they intend to return, are they allowed to vote in **state** elections?

2. If a U.S. citizen is residing abroad and their return is uncertain, are they allowed to vote in **state** elections?

3. If a U.S. citizen has never resided in the United States, are they eligible to vote in **state** elections?

4. If a US citizen has never resided in the United States, are they eligible to vote in **federal** elections?

Thank you for taking the time to answer our questions. We appreciate you helping Americans execute one of their most important rights!

Take Care,

Tricia Hamilton
