Subject: Voting Overseas

Dear Sir/Madam,

I am not sure you received my previous e-mail but I really need your help. I'm a volunteer helping US citizens, living overseas, vote in US elections. We want to make sure that votefromabroad.org provides accurate and up-to-date voting information. Would you please answer the following questions.

1. If a U.S. citizen is residing abroad and they intend to return, are they allowed to vote in **state** elections? **Yes**

2. If a U.S. citizen is residing abroad and their return is uncertain, are they allowed to vote in **state** elections? **Yes**

3. If a U.S. citizen has never resided in the United States, are they eligible to vote in **state** elections? **Potentially: if they have not registered to vote in any other state of the United States, and have a parent registered to vote within this state, they can vote in one county in which either one of their parents is a registered voter (see Neb. Rev. Stat. [§32-939\[2\]\[a\]](#)).**

4. If a US citizen has never resided in the United States, are they eligible to vote in **federal** elections? **Potentially: if they have not registered to vote in any other state of the United States, and have a parent registered to vote within this state, then they can vote in one county in which either one of their parents is a registered voter (see Neb. Rev. Stat. [§32-939\[2\]\[a\]](#)).**

Thank you for taking the time to answer our questions. We appreciate you helping Americans execute one of their most important rights!

Take Care,
Tricia Hamilton
