Subject: Overseas voter questions

Dear Mr. Ingram,

I'm a volunteer helping US citizens, living overseas, vote in US elections. We want to make sure that [votefromabroad.org](https://www.votefromabroad.org) provides accurate and up-to-date voting information. Would you please answer the following questions.

1. If a U.S. citizen is residing abroad and they intend to return, are they allowed to vote in state elections? [yes](#)

2. If a U.S. citizen is residing abroad and their return is uncertain, are they allowed to vote in state elections? [no](#)

3. If a U.S. citizen has never resided in the United States, are they eligible to vote in state elections? [No](#) (under Texas law). FVAP provides this helpful reference page: <https://www.fvap.gov/citizen-voter/reside>

4. If a US citizen has never resided in the United States, are they eligible to vote in federal elections? [No](#) (under Texas law). FVAP provides this helpful reference page: <https://www.fvap.gov/citizen-voter/reside>

Thank you for taking the time to answer our questions. We appreciate you helping Americans execute one of their most important rights!

Take Care,

Imogen Pursch
