Hi Heidi,

It doesn't matter if they provide their old US address or their current abroad address – they just have to provide an address in the section.

Please let me know if you have any questions and I'll be happy to help.

Best,

Hi,

I'm a volunteer with VoteFromAbroad--we help US citizens, military and civilian, living overseas when they have questions about voting from abroad.

We've had a few questions from overseas voters from WI about the witness requirement on the ballot as it isn't clear on the ballot statement:

When the U.S. citizen signs the witness statement and provides their address-- should they provide the witness's voting address in the U.S. or should it be their current residence address--even if they are living outside the U.S?

Thank you for your help! We want to make sure we provide accurate information to WI voters!
