

YOU CAN HELP GET OUT THE VOTE FOR DEMOCRATS IN 2016

VOLUNTEER TO PHONE DEMOCRATS ABROAD TO REMIND THEM TO VOTE

Democrats win elections when Democrats turn out to vote. Democrats abroad turn out to vote when we call them to remind them. We need help to phone our members and make sure they know how to vote from abroad. We use the CallHub online phonebank system. All you need is a computer and Chrome web browser to participate. Calls are made online at no cost to use, can be made from the comfort of your desk, at a time of your choosing and for as little time or as much as you like.
