# 2020 Voter protection sample actions/ campaigns

Worked on further developing the **ballot return by email expansion project**

Initiated **campaigns with targeted messaging** and alerts to DA members

Ran **two large Zoom action campaigns** (co-hosted with DAUK Voter Reg)

**Compiled information on the NIXIE** issue

Organised **teams** country teams to check and report back **on geo-blocking** issues

**Launched two big voter surveys** (for the primary and general elections)

**Recorded voter data** and stories for analysis from surveys and Intercom cases

Organized and ran a **team of 17 volunteers** (4 Intercom responders, 1 Intercom responder/coordinator, 8 lawyers, 5 advisors), **to respond to voter protection issues** over the course of the general election, ballot curing process and the GA Senate runoff.

To date we've worked on 499 individual cases from individual voters and provided support to cc leadership, Voter Assistance and GOTV teams.

# Sample of actions in 2021

- ❑ At the **federal level** we've produced a position paper and presentation for Sen. Amy Klobuchar's team, a sponsor of HR1 The for the People Act.
- ❑ **Working with DA state legislative teams** to support them with voter data and stories. *See link below of TX voter analysis.*

- ❑ At the **state level** we have a bill tracking team tracking voter bills which are being introduced in battleground states and in those that are key voter states for DA members: looking for anything that impacts overseas voters.
- ❑ Looking for state legislators who are introducing positive voter bills, (even if it doesn't relate to overseas voters) to **find allies to work with** going forward.
