Fri, Apr 29, 2022 at 11:03 AM

Dear DPCA members and DA leaders,

Please find attached the report of draft DPCA Resolutions submitted by the deadline for the upcoming Global Meeting.

These texts will be discussed at two hearings hosted by the Resolutions Committee, on May 5 at 8am and 3pm DC time. WebEx login information and further details are available on the DA wiki at <https://democratsabroad.atlassian.net/wiki/spaces/Resolv/pages/6959792343/2022+DPCA+Resolutions+-+Global+Meeting+Online>

All DA members are welcome to attend and speak at these hearings, within strict time limits to ensure that all the resolutions are discussed at each two-hour-long hearing. DPCA members may be granted priority in the queue to speak.

The memorial resolution will be presented at the Global Meeting but not allotted time at the hearings. Both hearings will be recorded and available on the DA wiki within a few days.

After the hearings, the primary sponsors of the resolutions will be able to revise their texts. The final texts of resolutions for consideration during the Global Meeting will be distributed on May 14.

After final texts are available, DPCA members and DA members alike will be invited to use the Resolution Committee's Google form to indicate support for individual resolutions as co-sponsors.

Thank you, and particularly the authors and primary sponsors of resolutions, for your interest and cooperation. Your questions and comments are welcome at [resolutions@democratsabroad.org](mailto:resolutions@democratsabroad.org)

Best regards,

DPCA Resolutions Committee

Will Bakker (chair), Carol Adamson, Farid Ben Amor, Kent Getsinger, Beverle Lax, Susan Vaillant, and Rick Wicks
