

TAXATION TASK FORCE

The Democrats Abroad Taxation Task Force (TTF) consists of volunteers researching, developing, and executing initiatives aimed at enacting reforms that resolve adverse impacts U.S. tax policy as it affects Americans abroad.

We call on the United States to tax based on residency and source, exempt Americans abroad from FATCA reporting and fix the tax code to eliminate discrimination.

TAKE ACTION

Join the Democrats Abroad Taxation Task Force.

www.democratsabroad.org/taxation

Call, write a letter, or an email to your senators and representative asking them to support tax reform for Americans abroad.
